MEMORANDUM

FOR : The Regional Executive Director
DENR MIMAROPA
1515 DENR By the Bay Bldg., Roxas Boulevard,
Barangay 668, Ermita Manila

THRU : The OIC, Assistant Regional Director for Technical Services

FROM : The Provincial Environment and
Natural Resources Officer

SUBJECT : **REPORT ON THE CONDUCT OF ORIENTATION AND
WRITESHOP ON UPDATING OF RAMSAR INFORMATION
SHEET (RIS) OF PUERTO PRINCESA SUBTERRANEAN
RIVER NATIONAL PARK (PPSRNP) HELD AT PENRO
TRAINING HALL, BARANGAY STA. MONICA, PUERTO
PRINCESA CITY**

Forwarded is the memorandum dated December 13, 2022 from CENRO Puerto Princesa along with the Report on the conduct of orientation and writeshop on updating of RAMSAR Information Sheet (RIS) of Puerto Princesa Subterranean River National Park (PPSRNP).

The orientation cum writeshop was conducted on October 20-21, 2022 at PENRO Training Hall, Barangay Sta. Monica, Puerto Princesa City, Palawan. It was facilitated by CENRO Puerto Princesa- Conservation and Development Section (CDS) in collaboration with the Biodiversity Management Bureau (BMB), PENRO, PPSRNP-Protected Area Management Office (PAMO) and USAID-SIBOL.

The updated RAMSAR Information Sheet (RIS) for PPSRNP will be submitted once this office received the latter.

For information and record.

November 04, 2022

MEMORANDUM

FOR : The OIC - Community Environment and Natural Resources Officer
Sta. Monica, Puerto Princesa City

FROM : The Conservation and Development Section

SUBJECT : **REPORT ON THE CONDUCT OF ORIENTATION AND WRITESHOP ON UPDATING OF RAMSAR INFORMATION SHEET (RIS) OF PUERTO PRINCESA SUBTERRANEAN RIVER NATIONAL PARK (PPSRNP) HELD AT PENRO TRAINING HALL, BARANGAY STA. MONICA, PUERTO PRINCESA CITY**

In compliance with the PENRO Special Order No. 2022-088 Series of 2022 dated October 07, 2022 entitled "Authorizing the Conduct of Orientation and Writeshop Activity on the Updating of RAMSAR Information Sheet (RIS) of Puerto Princesa Subterranean River National Park (PPSRNP) and Attendance of Some Personnel, Protected Area Management Office Staff and Partner Agency", the undersigned personnel headed by Sr. EMS/Chief, CDS Ma. Vivian O. Soriano conducted the 2-days Orientation and Writeshop Activity on the Updating of RAMSAR Information Sheet (RIS) of Puerto Princesa Subterranean River National Park (PPSRNP). The orientation was conducted at the PENRO Training Hall, Barangay Sta. Monica, Puerto Princesa City on October 20 to 21, 2022.

The said activity was facilitated by DENR-CENRO Puerto Princesa through Conservation and Development Section (CDS) personnel in collaboration with DENR-Biodiversity Management Bureau (BMB), DENR-PENRO Palawan, the PPSRNP-Protected Area Management Office (PAMO) headed by PASu Elizabeth A. Maclang, and USAID-SIBOL.

In order to facilitate the updating of Ramsar Information Sheet of the PPSRNP, this office requested for technical assistance of EMS I Ms. Lei Esther B. Gabo, In-charge, Ramsar Information Sheet (RIS) - Caves, Wetlands and other Ecosystem Division (CAWED) from BMB to guide and present the overview of the Ramsar Site Information Service and among others.

The 2-day orientation and writeshop started with the opening program. An AVP entitled "A Prayer for You" and National Anthem were played. Afterwhich, ECOMS I Arlene B. Basaya facilitated the introduction of participants and resource person of the event.

Thereafter, a welcome message was delivered by Chief CDS Rhodora Ubani, In-charge, Office of the PENRO on behalf of PENRO Felizardo B. Cayatoc.

Then Senior EMS/Chief, Conservation and Development Section Ma. Vivian O. Soriano presented and discussed the overview of activities for the updating the RIS of PPSRNP.

Ecosystem Management Specialists I Ms. Lei Esther B. Gabo, a technical staff and In-charge, Ramsar Information Sheet (RIS) - Caves, Wetlands and other Ecosystem Division (CAWED) from DENR Biodiversity Management Bureau (BMB) provided technical guidance in updating the Ramsar Information Sheet of the Puerto Princesa Subterranean River National Park (PPSRNP). She gave an orientation on Ramsar Site Designation in the Philippines which includes brief introduction, the Philippine Ramsar Sites, Ramsar Site Designation Process, Tools and Resources for Ramsar Site Designation (and Management), Ramsar Site Information Service, Ramsar Sites Management Toolkit and other Tools and Resources such as Ramsar CEPA Programme, Global Wetland Outlook and Funding Opportunities. She taught the DENR and PPSRNP Team in using the Online Ramsar Site Information Sheet at the Ramsar Sites Information Service via rsis.ramsar.org.

Thereafter, PASu Elizabeth A. Maclang presented the updates on resource assessment conducted at PPSRNP and same showed a video presentation taken during the pre and post Odette footages of PPSRNP.

Further, Ms. Gabo also reviewed the existing data and guided the team in updating the RIS and in the review and revision of previously encoded and attached data/references. She highlighted and clarified that though the Ramsar Site is being managed by the City Government, the RIS responsible compiler should be from the DENR-CENRO concerned who had jurisdiction over the area. LGU should only serve as the co-compiler. Three (3) groups were created for the workshop and each group was assigned with different components to be updated.

During the second day of the workshop, PENRO Felizardo B. Cayatoc graced the activity and delivered a message. He expressed his support in the updating of Ramsar Information Sheet for the betterment and progress of Puerto Princesa Subterranean River National Park. Then the writeshop activity continued.

As observed during the workshop, there were some required data which are not yet complied during online encoding due to unavailability of data needed in the completion of RIS such as METT results, wetland type in hectares and classification, conservation status and summary counts of Flora and Fauna and revision on the references.

At the end of the orientation-writeshop, the RIS updating team agreed that upon completion of the RIS, the same shall be endorsed to the DENR Secretary through DENR-MIMAROPA Region and BMB. The Bureau shall then endorsed it to the Ramsar Secretariat for their review.

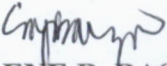

The program was ended with closing message from Forester III Norma D. Cayatoc, Assistant CENRO/OIC-DMO IV of CENRO Puerto Princesa.

A total of eleven (11) females and eight (9) male attended the orientation-writeshop composed of the DENR-BMB representing Ms. Lei Esther B. Gabo, CENRO Puerto Princesa personnel headed by Ms. Ma. Vivian O. Soriano, PPSRNP-PAMO staff headed by

PASu Elizabeth A. Maclang, PENRO Felizardo B. Cayatoc and USAID SIBOl represented by Ms. Anchovy T. Barros.

Attached are the photo documentation and other related documents in relation to the said activity.

Madam:

Environmental Greetings!

This has reference to the conduct of Updating of Ramsar Information Sheet (RIS) for Puerto Princesa Subterranean River National Park (PPSRNP) as Ramsar Site within the City of Puerto Princesa. The Ramsar Information Sheet provides information on wetlands that have been designated under the Ramsar Convention as Wetlands of International Importance which includes information on wetland type, ecology, land uses, threats, hydrological values and maps for the site.

Please be informed that this Office will assist you in updating PPSRNP Ramsar Information Sheet. Activities shall be scheduled relative to this in coordination with your office.

In line with this, may we request for a copy of the existing Ramsar Information Sheet of PPSRNP for our ready reference in the updating.

Thank you and best regards.

Very truly yours,

SUBJECT : **REQUEST FOR RESOURCE SPEAKER AND TECHNICAL
ASSISTANCE IN THE REVIEW AND UPDATING OF
THE RAMSAR INFORMATION SHEET (RIS) OF PUERTO
PRINCESA SUBTERRANEAN RIVER NATIONAL PARK,
PUERTO PRINCESA CITY**

This has reference to the target of this office to facilitate the updating of Ramsar Information Sheet (RIS) of Puerto Princesa Subterranean River National Park (PPSRNP). PPSRNP is a Ramsar Site or Wetland of International Importance within the City of Puerto Princesa. The CENRO Puerto Princesa personnel shall conduct an orientation and writeshop activity tentatively on October 20 to 21, 2022 in Puerto Princesa City together with the PPSRNP - Protected Area Management Office (PAMO) and PENRO Palawan.

In this regard, may we respectfully request Ms. Lei Esther B. Gabo, Ecosystems Management Specialist I and In-charge of the RIS from the Caves, Wetlands, and other Ecosystems Division of your Office, for a presentation on the overview of the Ramsar Sites Information Service. Her technical assistance during the writeshop activity is also hereby requested. Attached is the tentative program for your reference.

Per diems and travel expenses of EMS I Gabo shall be charged against the budget allotted for this activity subject to the usual accounting rules and regulations.

For information and consideration.

Protected Area Superintendent

Puerto Princesa Subterranean River National Park

Corner H. Mendoza St., Rizal Avenue, Puerto Princesa City

Madam:

Environmental Greetings!

This has reference to the updating of Ramsar Information Sheet (RIS) for Puerto Princesa Subterranean River National Park (PPSRNP). Please be informed that this office had coordinated with the Biodiversity Management Bureau (BMB) for technical assistance and requested Ms. Lei Esther B. Gabo, Ecosystems Management Specialist I and In-charge of the RIS from the Caves, Wetlands, and other Ecosystems Division as resource person on overview of Ramsar Sites Information Service. An Orientation and Writeshop Activity is scheduled on October 20 to 21, 2022 at PENRO Training Hall, Sta. Monica, Puerto Princesa City to assist your office in updating PPSRNP RIS.

In line with this, may we request your good office to be ready with the following data/information (from six years back) to be used during the activity:

1. Assessment report and/or profile of the biological components (flora and fauna) and other ecosystem services (e.g. socio-cultural values) of the site;
2. Threats and Responses;
3. Management Plan;
4. Relevant existing plans of the concerned LGU, if any;
5. Map of the site (in .shp, .shx, .dbf, and .prj formats);
6. Research studies on the biological/ecological features of the site;
7. DRR features of the site, if any;
8. Wetland types present in the site, including their extent in hectares; and
9. Updated photos of PPSRNP, including the year/date taken and name of photographers

Further, may we invite you to attend the aforementioned activity together with the PAMO technical personnel.

Thank you and best regards.

Very truly yours,

PEDRO A. VELASCO

Madam:

Environmental Greetings!

This has reference to the updating of Ramsar Information Sheet (RIS) for Puerto Princesa Subterranean River National Park (PPSRNP). This office shall be assisting the Protected Area Management Office (PAMO) in updating PPSRNP RIS. Please be informed that an Orientation and Writeshop Activity is scheduled on October 20 to 21, 2022 at PENRO Training Hall, Sta. Monica, Puerto Princesa City.

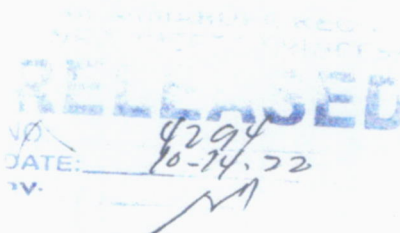

In line with this, may we request from your good office data/information on the Green Assessment or other assessments undertaken within PPSRNP through the initiative of USAID SIBOL Project. The said data will be used in the updating of RIS.

Further, may we invite a representative from your office to attend the aforementioned activity and to provide technical assistance in the activity.

Thank you and best regards.

Very truly yours,
