MEMORANDUM

FOR : **The Regional Executive Directors**
All DENR Regions

FROM : **The Director**
In concurrent capacity as Assistant Secretary for Planning, Policy,
and Foreign-Assisted and Special Projects

SUBJECT : **UPDATED COMMUNICATION, EDUCATION, AND PUBLIC
AWARENESS (CEPA) ACTIVITY REPORT TEMPLATE**

The Philippine Biodiversity Strategy and Action Plan (PBSAP) 2015-2028, is the country's roadmap for the conservation of biodiversity that aims to ensure the sustainable management of protected areas and the preservation of our rich biodiversity. One of the key PBSAP targets is a *10% annual increase in the number of schools, POs, media organizations, LGUs, private corporations, policy makers, and government offices that are aware of biodiversity, its importance, threat, and benefits of protecting it (Target 18).*

Highlighting the pressing need to update the CEPA Database that will contribute to the attainment of Target No. 18, the updated template will provide necessary baseline data for the PBSAP midterm review. By capturing accurate and up-to-date information, and conducting pre and post-evaluations, we can effectively monitor our progress in engaging stakeholders for biodiversity conservation and evaluate the success of our initiatives.

To streamline the process and facilitate data collection, may we request the submission of CEPA activity reports in both hard copy (template attached) and soft copy which can be accessed thru this Google Form link: <https://bit.ly/CEPARReport>.

For information and consideration
