

MEMORANDUM

FOR : **The Regional Executive Director**
DENR- MIMAROPA Region

THRU : **The Assistant Regional Director for Technical Services**

FROM : **The OIC- PENR Officer**

SUBJECT : **DOCUMENTATION RE: *CELEBRATION OF WORLD OCEANS DAY AND CORAL TRIANGLE DAY* HELD ON JUNE 09, 2023 WITHIN THE JURISDICTION OF PENRO MARINDUQUE**

DATE :

Respectfully submitted is the report on the conducted Coastal Clean-Up and Mangrove Tree Planting in line with the celebration of World Oceans Day and Coral Triangle Day held on June 09, 2023 in Barangay Ino, Mogpog, Marinduque.

The said activities were successfully undertaken in collaboration with the Philippine National Police (PNP), Philippine Coast Guard (PCG), Marinduque State College (MSC) and Barangay Local Government Unit (BLGU) of Barangay Ino, Mogpog, Marinduque. A total of two hundred (200) Bacauan propagules were planted in the Graduated NGP area (site code: 15-174000-0005-0008) in Barangay Ino, Mogpog. Eight (8) sacks of segregated non-biodegradable wastes were collected from the one (1) kilometer coastline in the same barangay.

A total of one hundred two (102) participants joined the activity composed of sixty two (62) males and forty (40) females.

Attached is the comprehensive report, planting site map, attendance sheet, photo documentation, filled- out data of trash collected forms and copy of the invitation letters for information and ready reference.

IMELDA M. DIAZ

June 14, 2023

MEMORANDUM

FOR : The OIC-PENR Officer
THRU : The Chief, Technical Services Division
ATTENTION : The Chief, Conservation and Development Section 
FROM : The Coastal Resource and Foreshore Management Unit
SUBJECT : **REPORT ON THE CELEBRATION OF WORLD OCEANS DAY AND CORAL TRIANGLE DAY**

World Oceans Day and **Coral Triangle Day** are environmental events celebrated every 8th and 9th of June respectively. World Oceans Day theme 2023 is "**Planet Ocean: Tides are Changing**" that aims to uncover the hidden facets of planet Earth and create a fresh surge of enthusiasm for preserving and safeguarding the ocean and our entire blue planet. **Coral Triangle Day** is an international ecological observance held annually on June 9. The Coral Triangle Day theme 2023 is "**Ocean Needs Actions**". It aims to celebrate the biodiversity of the Coral Triangle and to raise awareness of its conservation and protection.

Relative to this, PENRO Marinduque conducted simultaneous **Coastal Clean-up and Mangrove Planting** activities on June 9, 2023 in Barangay Ino, Mogpog, Marinduque in cooperation with the Philippine National Police (PNP), Philippine Coast Guard (PCG), Marinduque State College (MSC), and Barangay Local Government Unit (BLGU) of Ino, Mogpog, Marinduque.

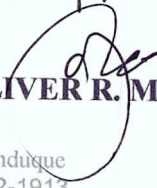

The simultaneous Coastal Clean-Up and Mangrove Planting activity were participated of one hundred two (102) participants composed of sixty-two (62) males and forty (40) females. A total of two hundred (200) propagules were planted during the Mangrove Planting activity within the National Greening Program (NGP) area. Moreover, trashes/wastes collected during coastal clean-up were segregated from non-biodegradable and biodegradable. Non-biodegradable wastes like plastics and straws were put in the sacks handled by the municipal garbage collector for proper disposal. They have collected eight (8) sacks of non-biodegradable wastes while biodegradable waste such as leaves, paper, coconut husks and twigs were buried underground.

Attached herewith are photos during the said activities map of the planting and cleanup sites, attendance, filled out data trash collected forms and copy of desiminated invitation letters.

For information and record.

Ocean and waterway trash ranks as one of the most serious pollution problems choking our planet. Far more than an eyesore, a rising tide of marine debris threatens human health, wildlife, communities and economies around the world. The ocean faces many challenges, but trash should not be one of them. Ocean trash is entirely preventable, and data you collect are part of the solution. The International Coastal Cleanup is the world's largest volunteer effort on behalf of ocean and waterway health.

CG CDR ROLANDO C. PABILLAR

Commander Coast Guard Station
Janagdong, Mogpog, Marinduque

Dear CDR Pabillar:

Isang Maka-Kalikasang araw po sa inyo!

World Oceans Day and **Coral Triangle Day** are environmental events celebrated every 8th and 9th of June, respectively. World Oceans Day theme 2023 is "**Planet Ocean: Tides are Changing**" that aims to uncover the hidden facets of planet Earth and create a fresh surge of enthusiasm for preserving and safeguarding the ocean and our entire blue planet.

Coral Triangle Day is an international ecological observance held annually on June 9. The Coral Triangle Day theme 2023 is "**Ocean Needs Actions**". It aims to celebrate the biodiversity of the Coral Triangle and to raise awareness of its conservation and protection.

Relative to this event, DENR-PENRO Marinduque will be celebrating these two environmental events through mangrove planting and coastal clean-up activities in Bgry. Ino, Mogpog, Marinduque on June 9, 2023 at around 6 o'clock in the morning.

In this regard, we would like to invite you or your representative to actively participate in the said activities in support to the "World Ocean's Day" and "Coral Triangle Day" celebration.

For any inquiries, you may call us at Telephone No. 332-0727/332-1490 and cellphone No. 0906-008-4095 or send an email at penromarinduque@denr.gov.ph.

Thank you for your usual support and cooperation.

Very truly yours,

"For and the absence of the PENRO"
