Subject: Follow up for the status of our application for "Adopt-a-Mangrove Ecosystem Project"

Dearest Sir's / Madam,

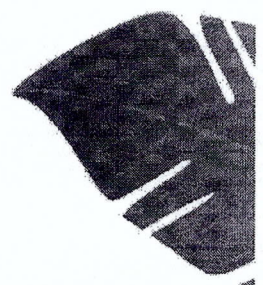

We are writing to submit our gentle follow up for the status of our letter of intent for the application "Adopt-a-Mangrove Ecosystem Project" dated March 7, 2023. Last May 15, 2023, we received a copy of memorandum from CENRO office requesting to PENRO office for a schedule of deliberation to discuss the result of the conducted site inspection by their team. We hope that this project will progress to deliver our goals of supporting the promotion of Local Tourism to national and international and at the same time to educate our tourist guests in the importance and contribution of the Mangrove tree in our marine habitat and environment.

Attached herewith are the pertinent letters and previous communications made for the said applications. Anticipating for your appropriate action. Thank you,

Sincerely yours,

Sir,

Environmental Greetings!

This has reference to your letter to PENR Officer Felizardo B. Cayatoc dated December 27, 2023 and March 7, 2023. Both letters were referred to this Office for review and endorsement.

In order for this Office to properly evaluate the proposed project we will conduct an inspection and assessment of the proposed area.

We propose to conduct the inspection on April 11, 2023 at 9:00 in the morning.

Thank you.

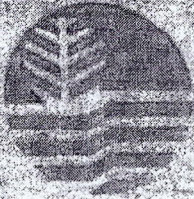

Very truly yours,

PEDRO A. VELASCO
