MEMORANDUM

TO : The CENR Officer
CENRO, Roxas, Oriental Mindoro

FROM : IEC Officer

SUBJECT : **REPORT ON THE CONDUCT OF WORLD ENVIRONMENT DAY IN BRGY. PACLASAN, ROXAS, ORIENTAL MINDORO ON JUNE 5, 2023**

In compliance with the memorandum from the Undersecretary on the conduct of simultaneous clean-up or tree-planting activity, this office conducted coastal clean-up in Barangay Paclasan, Oriental Mindoro on June 5, 2023.

World Environment Day is held on June 5 of each year. For 2023, the theme is No to Waste: Advancing Circular Economy under the hashtag #BeatPlasticPollution. This theme is an initiative to raise awareness about the production, use, disposal, and effects of plastic. This office also celebrates Philippine Environment Month.

In line with this celebration, this Office conducted a Coastal Clean-Up in Brgy. Paclasan, Roxas, Oriental Mindoro. The barangay chosen is one of the reported barangays whose practice in environmental conservation and protection was poor in the Municipality of Roxas. Due to the increasing population in the area, trashes and litter have been observed to be one of the environmental problems the barangay has been facing.

Please be informed that the activity participated with the Barangay Officials, Bantay Dagat, 4Ps, cash-for-work beneficiaries, DSWD, DENR personnel and staff, and residents of Brgy. Paclasan, Roxas, Oriental Mindoro. It was composed of 141 Males and 19 Females, a total of 160 participants. The activity started at 5:30 AM in the area. The undersigned communicated with Barangay officials on the location of the clean-up and proceed to the area.

The cleanup lasted for an hour and thirty minutes in an approximately 605.6-meters shoreline stretch. A total of five (15) sacks with an estimated weight of 105 kilograms of waste/garbage such as plastics, food wrappers, old clothes, fishnets, and other non-biodegradable wastes were collected. Dried leaves and branches are buried in the ground. The collected wastes/garbage are turned over to the barangay for proper disposal.

Furthermore, after the clean-up drive, the personnel and staff of DENR-CENRO Roxas convene to watch the online ZOOM program in celebration of World Environment Day.

In conclusion, it was observed that the site needs proper waste disposal and the barangay must strictly impose the ordinances on such environmental laws. Hence, a continuous information campaign will be conducted and coordination with the barangay LGU for strict implementation of ordinances and imposition of penalties for violation of proper solid waste management shall be done.

Attached are the photo documentation of the said activity.
