MEMORANDUM

FOR : The Regional Executive Director
DENR MIMAROPA
1515 DENR By the Bay Bldg., Roxas Boulevard,
Barangay 668, Ermita, Manila

THRU : The OIC, ARD for Technical Services

FROM : The Provincial Environment and
Natural Resources Officer

SUBJECT : **REQUEST FOR FUNDING FOR THE PROPOSED CONDUCT
OF CARRYING CAPACITY OF RESOURCES IN GEM SITE OF
CORON, PALAWAN**

Respectfully forwarded is the memorandum dated June 19, 2023 of CENRO Coron, Palawan regarding on the proposed conduct of Carrying Capacity study under Green Economy Model (GEM) Work and Financial Plan of CENRO Coron, Palawan.

Please be informed that the said activity was a proposed target under Rehabilitation and Recovery of Easement Strategy of GEM CY 2023 of CENRO Coron. Be informed further that in 2021, Carrying Capacity Assessment was conducted by ERDB which focused into 4 components: Tourism, Physical, Population and Biodiversity information related to Carrying Capacity. However, carrying capacity for the solid waste, resources use and ecosystem services was not included.

With this request, other parameters will be included to determine the carrying capacity such as natural resources use and ecosystem services within the identified sites of GEM and to have scientific and comprehensive data as basis for crafting policy and its implementation.

For information and consideration.

DATE: 06-22-2023 CN 23-5531

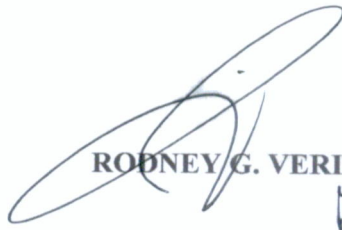

This refers to the proposed conduct of Carrying Capacity Study under Green Economy Model (GEM) CY Work and Financial Plan of Coron, Palawan.

Please be informed that said activity was proposed target under Rehabilitation and Recovery of Easement Strategy of GEM CY 2023 – CENRO Coron. However, this target was not accommodated due to budget ceiling of Five Million Pesos (P5,000,000.00) per GEM Site. Hence we are requesting for fund allocation of Four Million Pesos (P4,000,000.00) for the conduct of the study.

Be informed further that in 2021, Carrying Capacity Assessment was conducted by Ecosystem Research and Development Bureau (ERDB) which focused into 4 components: Tourism, Physical, Population and Biodiversity info in relation to Carrying Capacity to where the carrying capacity for the solid waste, resources use and ecosystem services in the area was not included. Thus, if this request will be granted these parameters will be included in the to determine the carrying capacity of the natural resources use and ecosystem services within the identified sites of GEM particularly in Poblacion Barangays and Tagumpay of Coron, Palawan and to have scientific and comprehensive data as basis for crafting policy and its implementation.

For information and consideration.
