This Office is submitting the accomplishment report on the maintenance and operation of forest nursery established in Barangay Balogo, Calatrava, Romblon.

Out of 10,646 regional target of seedlings, 5,052 or 47% of the target have already produced, consisting 3,596 or 40% are indigenous species, 816 or 85% are fruit-bearing species and 640 or 93% are bamboo species.

The production activity including the maintenance of nursery facility were accomplished through hiring of one (1) local laborer with the assistance provided by NGP technical personnel.

Likewise, 203 seedlings consisting of 110 indigenous species and 93 fruit trees were already distributed to the local communities of Municipality of San Agustin, Romblon as part of service caravan conducted by DENR- PENRO Romblon, in line with the celebration of 36<sup>th</sup> Founding Anniversary of the DENR, which conducted on June 22, 2023.

In this regard, attached is the matrix containing the detailed report on seedling production per commodity, species and photo documentation of conducted activities.

For information and record.
