SUBJECT : EXHIBIT FOR WORLD OCEANS DAY AND CORAL TRIANGLE INITIATIVE DAY 2023

Right knowledge is crucial for appropriate action that is why as part of the celebration of World Oceans Day and Coral Triangle Initiative Day, DENR-PENRO held an exhibit inside the Office's compound to disseminate information that aims to increase awareness and knowledge about these important environmental celebrations and causes.

Informative materials about coral reefs were printed and posted at the front area of the Office where employees and clients can easily see them.

For the Coral Triangle Initiative Day exhibit, interesting facts/trivia were hung accompanied by photos of colorful corals and fish. "Did you know?" in bold and enlarged letters were present in each trivia to catch the attention and curiosity of those passing by. Each trivia contains amazing facts that are very crucial and beneficial to better understand and care for our coral reefs.

In the same way, printed materials that inspire actions were also posted for the World Oceans Day exhibit. The materials have eye-catching photos of different marine life.

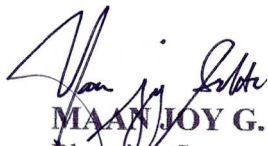

The exhibit started on June 9, 2023 and ended on June 16, 2023.
