FROM : The Information Officer
SUBJECT : ACTIVITIES CONDUCTED FOR THE 2023 CORAL TRIANGLE DAY

Coral Triangle Day is celebrated every 9th of June 9 annually wherein the primary objective is to cultivate awareness, foster a positive mindset on environmentally friendly practices mitigating threats to marine ecosystem, and recognizing the valuable benefits from a sustainable ocean. To appreciate the ocean and marine resources, to shed light on ocean conservation and the numerous ways to protect and conserve the Coral Triangle.

Coral triangle is the epicenter of marine biodiversity. However, very often, it is under threat due to natural and human destruction such as climate change and anthropogenic threats. This year, to join this annual celebration, the DENR-CENRO Sablayan held a ScuBasura activities. An underwater clean-up at the fish port in Barangay Poblacion, Sablayan, Occidental Mindoro on June 9, 2023.

Anchored on the theme "Oceans Need Actions", the cleanup activity was carried out through the joint efforts of CENRO Sablayan and Municipal Environment and Natural Office headed by the OIC, MENRO Charlou B. Ormega. A dive shop owner, Mr. Eleziar Duria and his son also volunteered to join the clean-up.

A total of 8 sacks of debris, mostly fishing nets, cans and bottles were collected under the water.

Clean-up and other environment related activities are being conducted to raise awareness of the ocean conservation and protection and its marine resources that provides livelihoods and food security.
