MONITORING OF THE CANTUROY COMMUNITY-BASED FOREST MANAGEMENT (CBFM) ASSOCIATION INC.

In connection to the P/A/P monitoring and validation of programs/projects, monitoring of the Canturoy CBFM Association Inc. was conducted last May 28, 2023. The Canturoy CBFM Association Inc. (CBFMA Registration No. RIV-OCCMIN-CBFMA-2000-09) is located in Brgy. Manoot, Rizal, Occidental Mindoro and covers an area of 401.65 hectares. Several projects were awarded to them: 1) NGP (2011 and 2012) and 2) CBFM CARP (2011 and 2017), and all were already graduated. Their Community Resource Management Framework (CRMF) with 5-year Work Plan was recently approved last 2022.

Specifically, monitoring of the compliance to its CBFM agreement, approved CRMF with 5-year Work Plan and ENR policies and regulations were done together with the personnel from the Conservation and Development Section – CBFM Desk (CDS-CBFM) and Enforcement and Monitoring Section (EMS). Highlights of the monitoring include:

Highlights	Remarks
Observation of Annual General Assembly	<ul style="list-style-type: none">- Was attended by 121 members, 42 males and 79 females- Agenda included:<ol style="list-style-type: none">1. Accomplishment Reporting2. Deputation of members and officers3. Survey of members' areas4. Financial Statement5. Election of Officers6. Other matters- For the accomplishment portion, all members are required to produce at least (20) seedlings (fruit tree wildlings) for planting, due on June 15.- CBFM Chairperson Mr. Danilo Z. Roca and 1 BOD attended the Learning Event / Refresher for the deputation of S/DENROs last April 27. As reported by EMS Chief Augreth S. Saligumba, the LE discussed various ENR laws and regulations and how the group, as S/DENROs, can assist in its implementation and the reporting of violations to the same. The association will be deputized through a Special Order from the DENR Regional Office.- Survey of members' area boundaries are tentatively scheduled this July. 189 hectares outside PA will be prioritized, as specifically mentioned by CBFM Desk Officer Glema L. Soting. Certificates of Recognition will be issued. Further, CBFM Chair Roca reiterated that only active members will be included on the measurement of boundaries.

	<p>Active means with updated dues & regular attendees and participants of meetings.</p> <p>-Elected Officers were: Danilo Roca (Chairperson), Andro Magno (Vice-Chair), Eric Jay Caritativo, Flaviano Mendoza Jr., Custodio Paguia, Gina Equiza, Levi Nazareno (BODs), Jocelyn Aberia (Treasurer), Gaudencio Passi (Auditor), Cristina Delos Santos (Secretary)</p> <p>- Farm to market road concern was also raised and CDS Chief Orlino Gacuan facilitated its discussion and resolution, since the project was stalled due to disputes from some members whose areas will be affected by such.</p>
Visit to one (1) CBFM member area	<ul style="list-style-type: none">- 3 hectares area of BOD Custodio Paguia.- Crops include jackfruit, kalamansi, banana, eggplant, chili pepper (Siling Tagalog) and tomatoes.- Currently are harvesting planted Gmelina trees (last inspection was 16 board feet).- Concerns raised were absence of a nearby water source, low farm gate price of crops, absence of regular buyers.
Visit to lumber processing area	<ul style="list-style-type: none">- Visited with CBFM Desk Officer Soting, EMS Chief Saligumba and Forest Ranger Ignacio.- On-going harvesting of planted trees within the CBFM area (2 members).- Has already transported 11,162 pieces of Gmelina (37,004.26 board feet)

Since the CBFM agreement will be expiring on November 20, 2025, the Canturoy CBFM Association Inc. was advised by CDS Chief Gacuan to continue conduct of activities stipulated on its affirmed CRMF and 5-year work plan. He also stated that approval of the group's Environmental Compliance Certificate (ECC) and deputation as S/DENROs are point-gaining criteria on their Performance Evaluation should they plan to renew with their CBFM agreement, aside from the overall area development activities and livelihood and living improvement it provided to its members.
