Oriental Mindoro

**SUBJECT** : **SUBMISSION OF REPORT ON THE CELEBRATION OF THE CORAL TRIANGLE DAY 2023 OF PENRO ORIENTAL MINDORO**

Submitted is the report of this Office on the conduct of Environmental Lecture, in observance to the celebration of the Coral Triangle Day 2023. The said activity was conducted in Parang National High School, Barangay Parang, Calapan City, Oriental Mindoro on June 22, 2023.

The activity was organized by the PENRO Information Officer together with the EMB Information Officer. It was participated were Grade 12 students and faculty of the said school, composed of 25 female and 25 male. The chosen school is one of the National High Schools which is within the coastal barangays of Calapan City. It is also vital to conduct such activity to the students because of the recent oil spill incident and effects of it to the community and to environment.

Moreover, topics discussed were about Coral Triangle Day celebration, Coastal and Marine Management and RA 9003 or the Ecological Solid Waste Management Act of 2000, and a brief presentation about the Oil Spill Incident in the province and its effect to the environment. Further, the school principal together with the faculty expressed their appreciation to the conducted lecture and ensured a full support in other environmental activities of the agency.

Attached is the report with photo documentation and attendance of the activity, for information and record.

**SUBJECT** : **SUBMISSION OF REPORT ON THE CELEBRATION OF THE  
CORAL TRIANGLE DAY 2023 OF PENRO ORIENTAL  
MINDORO**

Submitted is the report of the undersigned on the activities conducted for the celebration of Coral Triangle Day 2023 of PENRO Oriental Mindoro.

Please be informed that an Environmental Lecture was organized and conducted on June 22, 2023 at Parang National High School, Barangay Parang, Calapan City, Oriental Mindoro. Participants of the said activity were Grade 12 students and faculty of the said school, composed of 25 female and 25 male. The chosen school is one of the National High Schools which is within the coastal barangays of Calapan City. It is also vital to conduct such activity to the students because of the recent oil spill incident and effects of it to the community and to environment.

The events started with an invocation and some brief introduction of the speakers. It was also graced by the presence of the school Principal Mr. Alain Mendoza, who also expressed his gratefulness and support to such environmental activities. The undersigned is one of the resource speakers together with the EMB MIMAROPA Information Office Ms. Mabel Manalo.

The lecture started with the presentation of the celebration of the Coral Triangle Day and its importance. The participants were asked if they have an idea of the celebration, however, none of them have heard it. Hence, it was briefly conversed and presented. The Coral Triangle Day (held every June 9) is a massive celebration of the Coral Triangle, the world's epicentre of marine biodiversity, which encompasses the seas of 6 countries in the Asia-Pacific region: Indonesia, Malaysia, Papua New Guinea, the Philippines, Solomon Islands, and Timor Leste. This is to celebrate its rich marine resources.

Moreover, a presentation on Coastal and Marine Ecosystems Management was also shown. The Philippine's marine biodiversity was discussed as well as its value. The three (3) major marine habitats were explained such as the Mangrove, Seagrass and the Coral Reefs. Further, the ecosystem's services that the marine habitats provide was also elaborated such as food security, livelihood and protection of the coastlines.

Lastly, Ms. Mabel Manalo of EMB MIMAROPA discussed about the RA 9003 or the Ecological Solid Waste Management Act of 2000. She briefly run through the provisions and why it has been enacted. Ms. Manalo also explained the importance of the awareness and role of each person in the proper disposal of waste, given that one of the environmental problems in our country is plastic pollution.

The undersigned also tackled about the oil spill incident that have affected the lives of the coastal barangays of Calapan City and other municipalities.

Attached is the photo documentation and attendance of the said activity.
