**SUBJECT** 

INSPECTION / VERIFICATION REPORT Re: WATER PERMIT

APPLICATION (WPA) OF ONE MORE HOSTEL CORPORATION (OUTPOST) REPRESENTED BY KIM PATRICK CARIASO LOCATED

AT NATIONAL HIGHWAY, BRGY.POB. V, CORON, PALAWAN.

In compliance to marginal instruction of the OIC-CENR Officer re: above subject, please be informed that the undersigned forest officer and WRUS focal person conducted inspection and verification on the said area and hereunder are the information gathered, to wit;

On November 14, 2022, the Undersigned Focal person and forest officer conducted inspection and verification of applied Water permit Application of ONE MORE HOSTEL CORP. (outpost) together with Ms. Mary Grace Joy Tesorio, Ms. Keyline Morados and Mr. Kim Patrick Cariaso. The source of water for the said establishment were deep well located at Brgy. Pob. 5, Coron, Palawan.

Moreover, the said Two-storey hostel with lower ground floor and observatory deck comprise of (4) units of room and water heater room on the lower ground floor (6) unit room on the Upper ground floor and (14) unit room on the second floor with also having 44.6 square meter swimming pool, kitchen and two unit storage room. The said Deep well served and supply a total of 100 persons for domestic consumption of visitors and guest.

Further, the applicant also used submersible pump to ease and expedite the consumption the needed water by the visitors.

For information, records and further instruction.

#### REQUIREMENTS IN FILING PERMIT APPLICATION

- A. Duly accomplished Water Permit Application and Notices
- B. Proof of ownership of, legal title to, or right to use, the property on which the water source is situated,
- C. List of benefeciaries with corresponding hectarage and tax declaration certified by Municipal/ Provincial Assessor
- D. Location Plan and vicinity map showing:
  - 1. point of diversion of source of water (scale 1: 10,000 or 1: 50,000 NAMRIA map)
  - 2. delineation of service area indicating hectarage for which water will be used
  - 3. nature of diversion works whether temporary or permanent
  - 4. in case of groundwater, location and spacing of proposed drilling sites
- E. Certificate of registration from relevant agencies:

**CORPORATION/PARTNERSHIP** - SEC Registration with articles of Incorporation & By-Laws and certificate of latest Corporate Financial Structure issued by the Corporate Secretary;

SINGLE PROPRIETORSHIP - Certificate of Registration from DTI;

COOPERATIVE - Certificate of registration from CDA;

WATER DISTRICT - Certificate of conformance from LWUA;

BARANGAY WATERWORKS ASSOCIATION - Certificate of Registration

- F. Environmental Compliance Certificate or Certificate of Exemption/ Certificate of Non- Coverage (DENR)
- G. Bacteriological Test/ Physical and Chemical Water Analysis (if found negative, attached duly notarized

manifestation letter stating water treatment process)

- H. Clearance from BFAD or any agency accredited from BFAD (for Bottled Water)
- I. Subdivision Plan
- J. Brief Description of project which includes:
  - 1. how water will be used
  - 2. amount of water needed
  - 3. power expected to be generated
  - 4. amount of water to be discharge back to the source
  - 5. measures to be taken to avoid water pollution
  - 6. population and area to be served
  - 7. area of water surface needed to be served
  - 8. scheme of development
- K. Well drilling data ( Pumping Test, Well Log Data, Water Analysis ) in case of of existing groundwater source.

NOTE: WELL DRILLERS MUST HAVE A VALID NWRB CERTIFICATE OF REGISTRATION

- L. Certificate of registration from DOE
- M. Indorsement of the Project from DOE
- N. Other requirements: ( as deemed necessary by the board)

MUNICIPAL USE: submit documents listed on letters A, B, D1, D3, D4, E, F, G, I, K, N

IRRIGATION/AGRICULTURAL USE: submit documents listed on letters A, B, C, D1-4, E, F, K, N

POWER GEN. USE: submit documents listed on letters A, B, D1, D3, E, F, J1-5, J8, L, M, N

FISHERIES USE: submit documents listed on letters A, B, D1, D3, D4, E, F, L, J1-2, N

#### REMINDERS:

- An annual registration fee shall be paid upon registration and every year thereafter on or before the last day of January, using BIR Form No. 0605.
- Filing of required tax return/s to conform with the above tax types, whether with or without business operation, to avoid penalties.
- For new business registrants, application for registration of manual Books of Accounts (B/As) shall be before
  the deadline for filing of the initial quarterly income tax return or annual income tax return whichever comes
  earlier, from the date of registration. Registration of new set of manual B/As shall be before its use.
- Immediately inform the district office in case of transfer/cessation of business and other changes in registration information by filing BIR Form No. 1905.
- 5. For Self-Employed Individuals (SEI) whose gross sales and/or receipts and other non-operating income does not exceed P3,000,000 and who opted to avail of the 8% Income tax rate, the tax type Percentage Tax (PT) shall not be reflected in the Certificate of Registration (COR). However, at the start of each taxable year, such SEI shall be automatically subjected to graduated income tax rates and required to file quarterly percentage tax return (BIR Form No. 2551Q) and option to replace the COR to reflect "PT", unless qualified and opted to avail of the 8% Income tax rate annually.

I hereby certify that the above named person is registered as indicated above, under the provision of the National Internal Revenue Code, as amended.

# ENVIRONMENTAL COMPLIANCE CERTIFICATE (Issued pursuant to Presidential Decree No. 1586 and its IRR)

#### ECC-OL-R4B-2022-0149

THIS IS TO CERTIFY THAT THE PROPONENT, MR. PAUL EDWARD SEPULVEDA, is granted this Environmental Compliance Certificate (ECC), for its PROPOSED 2 STOREY HOTEL WITH ROOF DECK PROJECT AND BASEMENT located at Brgy. Poblacion 5, Coron, Palawan, by the Department of Environment and Natural Resources (DENR), through the Environmental Management Bureau (EMB).

SUBJECT to the conditions and restrictions set out herein labeled as Annexes A and B:

#### PROJECT DESCRIPTION

This ECC covers the PROPOSED 2 STOREY HOTEL WITH ROOF DECK PROJECT AND BASEMENT having a total gross floor area of 0.2 hectare (2,000.00 sq.m.), covered by a Contract of Lease (TCT No. 065-2013000387) located at Brgy. Poblacion 5, Coron, Palawan.

Project's facilities, Equipment/(s) and structures enumerated to wit:

Component	Area (sq.m.)
A. Lower Ground Floor	475.00
B. Ground Floor	475.00
C. Second Floor	475.00
D. Roof Deck	475.00
E. Open Space	100.00
TOTAL	2,000.00

The project shall operate and maintain its facilities and amenities as contained in the submitted Initial Environmental Examination Checklist (IEEC) Report and Environmental Management Plan (EMP).

This Certificate is issued in compliance with the requirements of Presidential Decree No. 1586, and its Implementing Rules and Regulations. Non-compliance with any of the provisions of this Certificate including the mitigating measures cited herein shall be a sufficient cause for its cancellation and/or imposition of a fine in an amount not to exceed Fifty Thousand Pesos (\$\textit{P}50,000.00\$) for every violation thereof without prejudice to the imposition of fines and penalties under other environmental laws. The EMB, however, is not precluded from reevaluating and correcting any deficiencies or errors that may be found after issuance hereof.

Issued at EMB-R4B, 1515 L and S Building, Roxas Boulevard, Pasay City this October 3, 2022.

#### WITNESSETH

WHEREAS, the LESSEES are locating a property suitable and to be used for their accommodation and bar and restaurant business.

WHEREAS, the LESSORS are the absolute and registered owners in fee simple of a purcel of land with 3-storey building, situated at Barangay Poblacion 5, Coron, Palawan, Consisting of FIVE HUNDRED (500) SQUARE METERS, embraced and described under Transfer Certificate of Title No. 065-2013000387 ("subject property").

WHEREAS, the LESSEES desire to lease the above-described property from the LESSORS for their accommodation and bar and restaurant business and the latter agree to lease the premises to the former, under the following terms and conditions stated hereunder

NOW, THEREFORE, for and in consideration of the foregoing premises and the covenants for another stipulated, the parties hereby agree as follows:

permed they lungs

Section 1. The LESSORS hereby transfer and convey the physical possession of the subject property by way of lease during the entire duration of this contract.

Section 2. Inspection, No Warranty. - The LESSORS hereby lease the subject property to the LESSEES on an "as is, where is" basis. The LESSEES hereby declares that property has been fully inspected prior to the execution of this contract. The LESSORS make no warranty as to defect of the building which are not apparent at the time of execution of the contract. LESSEES warrants that due and diligent inspection has been made on the property prior to execution of the contract.

### ARTICLE II - CONSIDERATION

Section 1 Rental Payment, — The parties agree that the monthly rental of the subject property shall be FIFTY THOUSAND PESOS (Php 50,000) Philippine currency, due and payable at the end of every month, commencing after one (1) year from execution of this contract. Delay or non-payment of the rentals due for at least three (3) months is a ground for cancellation of this contract.

The parties further agree that the initial one-year period shall be designated as renavation and moving-in period of the LEESSEES and is free of charge.

Section 2. Rental Escalation. - The monthly rental stipulated in the preceding clause shall be subject to ten percent (10%) increase after every five (5) years from the fifth (5th) year of this contract;

Section 3. Advance Payment, - Upon signing of this contract the LESSES shall pay the LESSORS ONE MILLION TWO HUNDRED THOUSAND PESOS (Php1,200,000) as advance rental for ONE (1) YEAR and deposit for another ONE (1) YEAR of contract, covering the period of June 2019 to June 2021,

### ARTICLE III - PERIOD

Section 1. Term. - Unless earlier terminated for grounds specified herein, the term of this Lease Contract shall be for TWENTY (20) years to commence upon execution whereof parties.

Section 2. Should this Contract of Lease be renewed automatically by the parties and no new written contract be signed and executed by the parties, the terms and conditions set forth herein shall be applied.

# ARTICLE IV- RESTRICTIONS

Section 1. Restriction on use of property. - The LESSEES shall use the property for legitimate undertakings only.

The use of property by the LESSEES themselves for illegal and illicit activities and/or storage of unlawful articles are grounds for cancellation of this contract. However, should the same illegal and illicit activities and/or storage of unlawful articles be committed by the guests and/or clients of the LESSEES the same is not considered the act of the LESSEES, and therefore not a ground for cancellation or termination of this contract.

Section 2. Sub-Lease. - Sub-leasing of property without prior written consent of the LESSORS are not allowed and is ground for cancellation of this contract, except when the said lease and/or sub-lease is for the accommodation of the quests or clients and

# ARTICLE V- IMPROVEMENTS AND MAINTENANCE OF THE PROPERTY

Section 1. Immovable improvements. - Immovable improvements are hereby understood as those structural changes, designs and alterations which cannot be removed without substantially breaking the material or the object thereof.

immovable improvements made on the property submitted to the LESSORS shall become the property of the LESSORS upon expiration or termination of the contract.

Section 2. The LESSEES are hereby allowed to install movable improvements, including but not limited to televisions, table, chairs, stove, signage, advertisements and the likes. Accordingly, movable improvements can be removed anytime by the LESSEES without the consent of the LESSORS.

Section 3. Maintenance and upkeep. - Maintenance and upkeep of property shall be the sole responsibility of LESSEES. Wastes from the property, in whatever form, shall be disposed of in accordance with Department of Environment and Natural Resources, Palawan Council for Sustainable Developments, Local Government Units rules and regulations.

Closure or suspension of business of LESSEES' on account of failure to comply with such rules and regulations regarding waste disposal shall not exempt the LESSEE from paying the monthly rental due.

Section 4. Flammable Articles. - The LESSEES are prohibited from storing within the premises flammable goods or articles which may increase fire hazard of the building, unless, such goods or articles are necessary, required or relevant, in the LESSEES' business operations.

Section 5. Utility Services.- The LESSEES shall make prompt and updated payments of electric and water bills utilized or consumed on the property. Reconnection cost for such utility services due to delay or non-payment of bills shall be for the account of the LESSEES.

#### ARTICLE VI- PERMITS AND OTHER CLEARANCES

Section 1. The LESSEES shall obtain at its own expenses, from competent authorities all the necessary permits, licenses, and/or clearance for its own business operation except those permits, licenses and/or clearance which must be have been or must be obtained by the LESSORS by reason of its ownership of the parcel of land.

Should such competent authorities require the LESSEE to submit further documents which are in the possession and/or must be executed by the LESSORS, the LESSORS hereby undertakes to furnish the LESSEES such documents.

#### ARTICLE VII - INSURANCE

Section 1. The LESSEES may obtain insurance covering the property. In such case, the LESSORS shall be designated as one of the beneficiaries, which shall be entitled to receive the proceeds corresponding to the value of the building as may be issued by the insurer, while the remainder amount shall pertain to the LESSEES to cover the cost of lost permanent improvements.

# ARTICLE VIII- RIGHT IRST REFUSAL

Section 1. Right of First Refusal. – The LESSORS are obliged to notify the LESSES in writing of their intention to sell the property at least thirty (30) days prior to making any offer of spile to third persons.

Section 2. Notification. - The LESSES shall notify the LESSORS in writing within fifteen (15) days from receipt of the notice if they accept the latter's offer, otherwise, the failure to respond on LESSORS' notice is considered as LESSEES' refusal to buy.

Section 3. Purchase price. - The parties hereby agree that cost of improvement on the property, less depreciation value, shall be deducted from the purchase price if LESSEE agrees on buying the property. Sending of notices requires personal service and/or registered mail to the parties to be considered as valid service of notice in their last known address.

#### ARTICLE IX - MISCELLANEOUS

Section 1. Non-Waiver. - The failure of the LESSOR to insist upon a strict performance of any of the terms, conditions, and covenants hereof shall not be deemed a relinquishment or waiver of any of the rights or remedies that the LESSOR may have, nor shall it be construed as a waiver of any subsequent breach or default of its terms, conditions, and covenants, which shall continue to be in full force and effect. No waiver by the LESSOR of rights under this contract shall be deemed to have been made unless expressed in writing and signed by the LESSOR.

Section 2. Amendments. - Any amendment to or alteration of the terms, clauses, or conditions of this contract requires to be made in writing, notarized and signed by both parties.

Section 3. Binding effect of the contract. This contract shall inure and be binding upon the parties, their heirs, successors-in-interests, legal representatives, and assignees.

IN WITNESS WHEREOF, the parties have set their hands and affixed their signatures this per 3-1 2018 in Coron. Palawan.

JANUARY-DECEMBER (WHOLE YEAR)	Dompstic				

#### INSTRUCTION FOR WATER PERMIT APPLICATIONS

- A. No person shall divert or appropriate water from any public water source such as rivers, creeks, brooks, springs, lakes, lagoons, swamps, marshes, subterranean, or groundwater and sea water, without first securing a Water Permit from the National Water resources Board.
- **B.** Water Permit Applications must be filed with the Office of the DPWH District Engineer, the NIA Provincial Irrigation Engineer, NPC Regional Manager or the LWUA Water District General Manager whichever is designated as agent by the Board in the province where the point of diversion is situated.
  - 1. The following may file an application for Water Permit:
    - A. Citizens of the Philippines;
    - B. Association, duly registered cooperatives or corporations organized under the laws of the Philippines at least 60 percent of the capital of which is owned by the citizens of the Philippines
    - C. Government entities and instrumentalities, including government owned or controlled corporations.
  - All communications to the applicant, including the Water Permit, will be directed to the mailing address indicated. The National Water Resources Board must be notified immediately of any changes in address.
  - 3. Applicants without a TIN must first secure one from the Bureau of Internal Revenue before filing a Water Permit Application.
  - Only citizens of the Philippines of legal age, as well as judicial persons, who are qualified by law to exploit and develop water resources, may apply for a Water Permit.
  - 5. The PMMO or NWRB Official Receipt Number, the date and amount paid shall be indicated.
  - The official name or (local name) of the river, creek, brook, lake, etc., or the words spring or groundwater, whichever is appropriate, shall be indicated.
  - The location of the diversion point indicating the sitio/Barrio and the municipality where the diversion point is located.
  - 8. Indicate method of diverting water whether by dam, pump, etc.
  - Indicate the months during the year when the floe of the stream is considered low flow (say, for example, from January to April).
  - 10. Indicate the amount of water applied for, expressed in liters per second.
  - The purpose of which a Water Permit is applied for whether for Domestic, Municipal, Irrigation, Power Generation, Fisheries, Livestock Raising, Industrial, Recreational or other purpose.
  - 12. If water will be used for irrigation, indicate the area of land in hectares and the crop to be raised.
  - 13. For domestic water supply, indicate the number of people served.
  - 14. For industry, such as mining, or other industrial purpose, make a brief description of the proposed project including, among others, how the water will be used, the amount of water needed for the purpose, the amount and quality of water to be discharged back to the source if any, and the proposed waste water treatment works to be provided.
  - 15. For hydraulic power development, indicate the power plant rated capacity in kilowatts.
  - 16. Specify other uses or which Water Permit is applied for.
  - 17. Indicate the names of appropriators holding or claiming rights to the used of water including the amount in liters per second and nature of use, both downstream and upstream of the proposed point of diversion.
- C. Application with incomplete information and/or insufficient documentation shall not be accepted for filing 18-20. To be filled by NWRB Agent
- 21-22. To be filled by NWRB Staff
- D. Accomplished application form must be in 4 copies and Notice of WPA must be in 10 copies
