MEMORANDUM

FOR : The OIC PENR Officer

FROM : The Information Officer

SUBJECT : COASTAL CLEAN-UP ACTIVITY REPORT FOR THE
MONTH OF THE OCEAN 2023

In celebration of Month of the Ocean for this year 2023, Provincial Environment and Natural Resources Office (PENRO) Occidental Mindoro headed by PENR Officer Ernesto E. Tañada conducted a coastal clean-up activity on May 12, 2023 in Barangay 9, Mamburao, Occidental Mindoro to raise awareness about the importance of the ocean as food source of the global population and to encourage actions to conserve them.

The clean up activity started from the foreshore in front of Paradise Resort to the coast along Bagong Sikat. A total of 15 sacks were collected.

It was noticeable that some of the plastic garbages were almost breaking with just a mere hold showing that it had been there for a long time prior to the day of the clean-up.

The DENR continually hopes that this type of activity will stir up a desire and pertinent actions from the community to conserve the oceans most especially in their area where they are most responsible for.

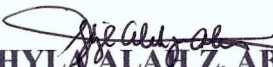

The participants for this year's Month of the Ocean Coastal Clean-up Activity included 37 PENRO employees (14 male and 23 female), Barangay Tanod from Brgy. 9, EMB employees and representatives from Mamburao LGU.

A total of 15 sacks of plastic garbage were collected
