This pertains to the technical problem this office has encountered regarding signing in our user account with user name "cenro" and password "LAWIN2017" in the SMART Connect. As a result, since February this year we were not able to upload in the online platform our patrol works and activities. The said issue was first reported thru the PENRO in our memorandum dated March 03, 2023, with the subject "STATUS OF LAWIN SYSTEM ON CENRO PUERTO PRINCESA, PALAWAN". In the said memorandum, we requested technical assistance of an IT expert to fix the problem.

In line with this, we would like to reiterate our request regarding the fixing of our SMART Connect account to so that we can resume uploading our patrol accomplishments. Should the IT expert requires further information regarding the issue, he can contact our LAWIN Data Manager Forester Raymund Sapalo thru CP # 0909-699-4053.

For information and approval.
