Respectfully submitted are copies of the approved and/or affirmed minutes of regular meetings and resolutions of Mts. Iglit-Baco Natural Park (MIBNP) Protected Area Management Board (PAMB) held on November 24, 2022 and corrected minutes of meeting held on August 24, 2022 per Memorandum dated January 6, 2023 of the OIC PENRO Occidental Mindoro.

The *regular meeting* was attended by twenty (20) out of thirty-five (35) PAMB members/representative(s) through a combination of face-to-face and virtual set-up held at Aroma Family Hotel and Resort Complex, San Jose, Occidental Mindoro. The representative of the Tao-Buid indigenous community, Mr. Allan Lumawig, presided the meeting. Below are the main agenda discussed and actions taken including three (3) resolutions/ approved:

Agenda	Highlights and/or Actions Taken
1. Update on the road construction of DPWH inside MIBNP in Brgy. Poypoy, Calintaan, Occidental Mindoro	Based on the discussion between the PASu and DPWH, the latter agreed to comply with the documents required by the PAMB in 2021. However, the DPWH requested to fix the part affected by a landslide.

5. Letter request for the opening of farm to market road at So. Yoga to Brgy. Poypoy East with 2.2km long	The PAMO was reminded that opening and construction of new roads are discouraged within protected areas especially with the category of MIBNP as a natural park. The main problem of the farmers at So. Yoga, Barangay Poypoy is the absence of passageway when the nearby river (or creek), as the only passageway, becomes flooded during the rainy season. Hence, the PAMO was advised to open an alternate trail instead of constructing a road to limit access to the protected area and ancestral domains, and minimize disturbance in the protected area.
6. Letter request of Mr. Eric A. Ordo, School Facilities Coordinator of Nayong Kalikasan Elementary School to cut an acacia tree	<p>Resolution No. 2022-12: <i>Kapasiyahan para sa agarang resolusyon sa kahilingan ni. G. Eric A. 7. Presentation of Geographic Innovations for Development Solutions, Inc. (GRIDS) regarding the initial results of the inventory of Invasive Alien Species (IAS) of trees and perennials for eradication planning, and result of exploratory study on fish and herpetofauna diversity inside MIBNP	The studies on IAS and diversity of fish and herpetofauna are funded under the CY 2022 Work and Financial Plan (GAA) specifically under <i>Support to ASEAN Heritage Park (AHP)</i> . The final reports on these will be submitted to the BMB once received by this Office.

SUBJECT : **REQUEST FOR RELOCATION SURVEY OF MS. EMELIE E. BESAGA RE: DENR CASE NO. 5904 ENTITLED "DIGNA MATALANG COCHING, SPS. FELIPE ACOSTA AND LUZVIMINDA ACOSTA, APPELLANTS, VERSUS EMELIE L. BESAGA, APPELLEE"**

DATE : JUN 07 2023

This refers to the letter dated March 08, 2022 of Atty. Romeo Q. Artazo, Jr., counsel of Ms. Besaga, requesting for a relocation survey on Lot Nos. 4512, 4513, and 4514 in relation to the above-cited case.

Records show that an Order¹ dated December 27, 2017 was issued by then OIC, Regional Director Natividad Y. Bernardino, wherein FLAgT No. DENR IV-MIMAROPA-11302030-0002 was amended to cover only Lot No. 4513, Cad. 860-D, San Vicente Cadastre and excluded Lot Nos. 4512 and 4514.

In the said letter, the request for relocation survey *"would enable to determine the specific lots that would be covered by the SLUP of Acosta and that would be retained under the FLAgT of Besaga. Correspondingly, it would determine the structures built in good faith by Besaga on the lots covered by the SLUP of Acosta. Based on the Memorandum(sic), Besaga is entitled to be refunded for necessary and useful expenses with the right of retention."*

The above-cited Memorandum being referred to in the letter was issued by the Director, Legal Affairs Service on January 06, 2022 wherein it was considered that Ms. Besaga was a possessor in good faith, and that:

*"xxx it is clear that Besaga **may** be reimbursed for the necessary expenses incurred in the establishment of the bathing business from the time the FLAgT was issued until the time she was made aware that the same should be amended. Likewise, Sps. Acosta have the option to refund Besaga the useful expenses incurred. Should it be possible to remove the useful expenses, Besaga has the option to do so. Thus, **the Decisions of this Office, the OP, the CA and the SC should not be disregarded for the reason that Besaga might incur damages, as there are remedies available to her.**" (emphases supplied)*

In this regard, the request of Atty. Artazo should be treated as an ordinary request for relocation survey, i.e. expenses to be shouldered by the requesting party. Moreover, this Office is without

jurisdiction to declare and/or rule on the reimbursement of Ms. Besaga for useful and/or necessary expenses, if any. Said function belongs to the regular court, unless the parties will enter into an amicable settlement regarding the expenses.

Further, per Memorandum dated January 26, 2016 of then Acting Assistant Secretary for Legal Affairs, it is stated that the full implementation of the August 6, 2006 Decision necessitates the:

1. **Amendment of FLAgT in the name of Emelie Besaga to cover only Lot 4513; and**
2. **Exclusion of Lot Nos. 4512 and 4514 from the coverage of Emelie Besaga's FLAgT and to be covered by the Special Land Use Permit of Spouses Felipe and Luzviminda Acosta which shall be given due course pursuant to DAO No. 28, Series of 2004, as amended.**

In compliance thereto, an Order dated December 17, 2017 was issued by then OIC, Regional Director Natividad Y. Bernardino amending FLAgT No. DENR IV-MIMAROPA-11302030 of Emelie Besaga to cover only Lot No. 4513 of Cad. 860-D, San Vicente Cadastre and to exclude therefrom Lot Nos. 4512 and 4514 which pertain to and are covered by the application of Luzviminda Acosta. Moreover, a Notice to Vacate dated August 20, 2020 against Mrs. Emelie L. Besaga was issued by then Regional Executive Director Maria Lourdes G. Ferrer.

Per Memorandum dated October 27, 2022 issued by the Chief, Regulation and Permitting Section, CENRO Roxas, Palawan, the latter is requesting for a copy of the amended version of the FLAgT issued, if any.

In this regard, submit a Completed Staff Work (CSW) regarding the actions taken after the issuance of the Order dated December 17, 2017, Notice to Vacate dated August 20, 2020, and Memorandum dated October 27, 2022 within fifteen (15) days from receipt hereof.
