SIR:

Greetings in Peace!

This refers to my client's cause of action against her biological sister, ANGELICA VALDEZ MACAYAN.

It has come to my client's attention that the said person took advantage of her siblings' absence and surreptitiously registered their inherited property solely under her name when in fact it should have been registered under the name of all the heirs of Lita Valdez, who have been in possession over the property since more or less starting from the year 1972.

As a consequence of such, on behalf of my client, may I respectfully request from your good office the lot status of the property under Original Certificate of Title No. 2019000002 that can be found in Purok Charot, Barangay Payompon, Mamburao, Occidental Mindoro.

As counsel of my client, I am now required to submit all the pieces of evidence under the 2019 Revised Rules of Court, it is imperative that we file the said documents as the Court would require that the same be submitted at the transmittal of the complaint and even before the trial proper.

We hope for your favorable consideration on this matter. Thank you very much.
