Greetings!

Inter-Pacific Agri-Forest Association Inc. is a newly registered non profit association whose aim and main concern is caring mother nature.

In view thereof we would like to seek your benevolence assistance if you could give us an area of minimum 300 hectare maximum 1000 for our agri forest development through sifma tenurial agreement or any direct tenurial contract that we can start our project in your vicinity. Our aim is to reforest and develop on agricultural development. About 60 percent planting fruit bearing trees and 40 percent hardwood with 6 months cropping in between the trees while waiting the trees to become self survive. We are tied up to some big corporation, foundation and some association that funds our project. As were newly registered and organized we hope and pray you could give us a chance to be part of caring our mother nature via agri forest development.

Looking forward for your favorable kindness God bless and More Power. You can contact and reach us with this number. 09161928743, 09918027088. Thank you and hope to work with you soon.

Respectfully yours,
