The Chief, CDU and the CBFM Desk Officer properly discussed the importance of CBFM Program & project to the local community and for the benefits of their association. The validation of potential CBFM projects, the responsibility and incentives of Peoples Organization were among the topics discussed by the team.

Likewise, Information, Education and Communication campaign (IEC) on Gender and Development (GAD) regarding Republic Act 9262 or the Anti-Violence against Women and their children (VAWC) was obtainable and explicitly explained by the CENRO GAD Focal Person. The IEC aimed to educate, encourage and to give awareness to the community regarding the value and importance of Magna Carta for Women and to provide the Indigenous People's practices and livelihood maintain the natural resiliency of ecosystem and the IP's are interlinked with forest. The team had distributed CBFM IEC materials and GAD flyers for the community.

- Similarly an information, education and communication campaign (IEC) on Gender and Development (GAD) regarding the Republic Act 9262 or the Anti-Violence against Women and their Children (VAWC) was reachable and plainly discussed by CENRO GAD Focal Person. The IEC also aimed to educate, encourage and to give awareness to the community regarding the value and importance of Magna Carta for Women or Republic Act 9710, integrating and valuing with fairness & ensure entitlement and women's empowerment and support policies with regard to GAD. Said activity was effectively conducted through the collaborative effort of Barangay Officials, the active participation and cooperation of the Communities and other organization/association.

It is also informed that the team has distributed GAD IEC materials & flyers for the community.

- The main objective of the IEC and a seminar on GAD is to provide the new entrants/personnel the opportunity to enhance/promote twin goals of gender equality and women's empowerment and tools for integrating gender concerns into the development activities and projects of the government, and to ensure that man and woman will be partners in the pursuit of the country's economic, social and cultural developments. Many questions/queries and clarifications were raised and resolved during the IEC on NGP, CBFM/CSC, Law Enforcement, on Agricultural and Residential patents and on GAD.
