This is with reference to the Memorandum of Ronie B. Gandeza, In-charge, Office of the PENRO, dated 22 November 2022, submitting a copy of the Comprehensive Development Management Plan (CDMP) of Palawan Cove Corporation (PCC), located in Sitio Daplac, Barangay Poblacion, San Vicente, Palawan.

Review of previously submitted monitoring reports—particularly of one which was attached in the Memorandum dated 06 October 2020, disclosed that PCC already has an approved CDMP. However, approval sheet of which was not included in the copy of the plan that was submitted to this Office. Further, a letter of PCC dated 13 June 2016 to the then-Regional Director Oscar Dominguez disclosed that a revised CDMP was already made for PCC. However, the plan provided to this Office was dated April 2012 and is most likely to be outdated.

In view hereof, please provide a copy of the duly signed approval sheet and an updated copy of PCC's CDMP to this Office for our recordkeeping. Further, kindly provide an update on the status of the requested expansion of the PCC's FLAgT area into 56.3186 hectares, as previously mentioned in your submitted reports.
