MEMORANDUM

FOR : The Regional Executive Director
DENR MIMAROPA
1515 DENR By the Bay Bldg., Roxas Boulevard,
Barangay 668, Ermita, Manila

THRU : The OIC, ARD for Technical Services

FROM : The Provincial Environment and
Natural Resources Officer

SUBJECT : **CELEBRATION OF THE 2023 WORLD WILDLIFE DAY**

Respectfully forwarded are the Memoranda of CENROs of Taytay, Roxas and Puerto Princesa regarding on the above subject with the following dates:

CENROs	Date of Memorandum
1. Taytay	February 14, 2023
2. Roxas	February 13, 2023
3. Puerto Princesa	February 24, 2023

For the celebration, the CENRO Taytay, in partnership with the local government units (LGUs), other government agencies and non-government organization (NGOs) will be conducting joint Information, Education and Communication (IEC) activities in selected schools in El Nido, Palawan.

CENRO Roxas will be conducting Communication, Education and Public Awareness (CEPA) and hold a quiz bee about wildlife in Tagumpay Elementary School, Roxas, Palawan with grade 6 students as target audience from the said school.

Lastly, the CENRO Puerto Princesa prepared activities in relation to the event by the Conservation and Development Section and IEC Unit.

For information and record.

SUBJECT : **CELEBRATION WORLD WILDLIFE DAY (WWD) FOR CY 2023**

This complies the memoranda of the BMB Director and of the DENR MIMROPA Regional Executive Director on the above subject which we received last February 9, 2023.

As a leading community partner towards sustainable, inclusive and resilient development, this Office, in strong partnership with the local government units (LGUs), other government agencies and non-government organizations (NGOs) is conducting joint Information, Education and Communication (IEC) activities in schools and communities within our jurisdiction.

In the continuity of the endeavour, our Office is set to conduct the activities in partnership with Zoological Society of London (ZSL) Philippines and LGU El Nido at two school campuses and nearby communities in Barangay Teneguiban, El Nido, Palawan (Central Barangay and Sitio Diapila) on March 3, 2023. To highlight the celebration, the IEC will give emphases on Philippine Pangolin of Palawan Pangolin (*Manis culionensis*) or locally known *balintong*, endemic in Palawan and a critically endangered species.

ZSL Philippines lunched a *Balik balikon* Program in 2018 in Palawan. The project aims to reduce *balintong* poaching and trafficking through evidence-based conservation planning, local site-based protection, increased law enforcement and community engagement. *Balekon* or *balikon* is a Cuyonon local name for pangolin.

Why in Barangay Teneguiban?

Aside from Lake Manguao in Taytay, Palawan, Teneguiban in El Nido is a home of guardians of the forest "*Balintong*" like the vicinities of Lake Manguao in Poblacion, Taytay, Palawan. Both localities are beneficiaries of *Balik balikon* Program.

Attached is the Activity Plan on the matter. Thank you.

For and in the absence of the CENRO:
