## MEMORANDUM

**FOR** : The Regional Executive Director  
DENR MIMAROPA

**THRU** : The OIC, ARD for Technical Services  
DENR MIMAROPA

**FROM** : The OIC, PENR Officer  
Oriental Mindoro

**SUBJECT** : **MEMORANDA OF AGREEMENT (MOA) WITH DENR AND  
LOCAL GOVERNMENT UNITS (LGUs) REGARDING FOREST  
LAND USE PLANS**

Forwarded is the Memorandum from the CENR Officer of Socorro, Oriental Mindoro regarding the above captioned subject.

The seven (7) municipalities and one (1) city covered by CENRO Socorro had already their FLUPs approved and adopted as early as 2015 and the latest is in 2021. With regards to implementation, most LGUs shared the same sentiment that the bulk of their funds were allotted in the COVID 19 responses that caused delays in the implementation of their FLUPs. Thus, they requested for amendments and/or updating of FLUPs once the service operations and funding normalizes.

This has reference to the Memorandum from the Regional Executive Director Lormelyn E. Claudio, directing all the PENROs and CENROs to coordinate with our respective MENROs to amend the Forest Land Use Plans (FLUPs) and the signed MOAs to include specific areas identified for production and protection forests.

Relative thereto, please be informed of the following data:

CENRO Socorro covers 7 municipalities and 1 city, all of which have already had their FLUPs approved and adopted as indicated in the table below.

San Teodoro	2016	2016	2017-2027
Baco	2017	2017	2018-2022
Calapan City	2018	2019	2019-2028
Naujan	2017-2018	2021	2021-2030

In most of our LGU engagement however, when asked about the status of its implementation, all LGUs shares that implementation was affected by the COVID 19 pandemic which had consumed bulk of LGU funds. Hence, they requested that ammendments and/or updates be done once and after service operations and funding normalize.
