Re: VLC's 2023 Online Bar Review Program

Gentlemen:

I am very happy to share with you that we have successfully closed our 2022 Bar Review with the best programs, lectures and practices for our dear bar candidates, and we are excited to start 2023 anew with you.

With our mission of continuously providing the highest quality Bar Review Program in the country that will produce topnotchers and lawyers who are morally and ethically upright, we would like to invite your employees of your Honorable Office to enroll in our **2023 Online Bar Review Program!**

Once again, VLC has assembled a roster of the best legal experts and educators from several law schools and partner review centers with the single purpose of providing the Bar candidates with the necessary skills and competence to excel the Bar examinations.

In addition to this, coming from our experience in the first ever digitalized Bar Examinations, and last year's bar examination as well, VLC has acquired topnotch technical systems to provide the best support that we can to our Bar candidates: including our own **learning management system, the Virtual Law Companion**, and of course the conduct of our Mock Bar examinations via **ExamSoft**, the same testing software used in the 2022 Bar Examinations.
