Please be informed that the monitoring of the Eight Hundred (800) Individual Plus Trees within Seed Production Area have been conducted by the technical personnel of this office despite that there were no funds allocated for its maintenance and protection. Be informed also that the Enforcement and Monitoring Section have been conducted patrolling using Smart LAWIN within the Narra Seed Production Area (SPA). However, there are times that the SPA were not monitored and patrolled by the personnel of this office due to conflict on the schedule on the regular target for this year implementation that they need to accomplished.

Hence, in order to preserve and maintain the good quality of Individual Plus Trees (IPTs) within Narra Seed Production Area (SPA) may we request for appropriate funding of the following activities for the maintenance and protection of the said area to wit:

1. Fund/allocation for hiring of One (1) Science Research Assistant and Two (2) Labourers;
2. Fund/allocation for the procurement of Solar Panel and Accessories;
3. Fund/allocation for the perimeter fencing of the Seed Production area; and
4. Fund/allocation for the maintenance of the Seed Production Area

For information, consideration and approval.
