DATS NO. _____

MEMORANDUM

FOR : The Regional Executive Director
DENR MIMAROPA

THRU : The OIC, ARD for Technical Services
DENR MIMAROPA

FROM : The OIC, PENR Officer
Oriental Mindoro

SUBJECT : **SUBMISSION OF REPORT ON THE CONDUCT OF COASTAL
CLEAN-UP IN CELEBRATION OF WORLD WETLANDS DAY
2023 IN BARANGAY DALAHICAN, ROXAS, ORIENTAL
MINDORO ON FEBRUARY 28, 2023**

Submitted is the accomplishment report of the coastal clean-up activity during the 2023 Wetlands Day Celebration in Barangay Dalahican, Roxas, Oriental Mindoro on February 28, 2023. The theme of the activity is "Wetland restoration" to highlight the urgent need to revive and restore degraded wetlands.

A total of 29 participants from CENRO Roxas, Barangay Officials and volunteers were present in the activity. A 250-meter shoreline clean-up activity has collected approximately 50 kilograms of garbage such as plastics, food wrappers, fish nets, and other non-biodegradable wastes. The collected garbage was turned over to the Barangay LGU for proper disposal.

Attached are the geo-tagged photos of the activities and serves as MOV for CY 2023 Work and Financial Plan

For information and record.

MEMORANDUM

FOR : The CENR Officer
Roxas, Oriental Mindoro

THRU : Chief, Planning and Management Support Section

FROM : IEC Officer

SUBJECT : **SUBMISSION OF REPORT ON THE CONDUCT OF COASTAL CLEANUP IN CELEBRATION OF WORLD WETLANDS DAY 2023 IN BARANGAY DALAHICAN, ROXAS, ORIENTAL MINDORO ON FEBRUARY 28, 2023**

In observance to the celebration of the World Wetlands Day 2023 with the theme “Wetland restoration” through various platforms to inform the public and stakeholders on the importance and conservation needs of wetlands, especially wetlands within the respective jurisdiction. This Office have organized and spearheaded the conduct of Coastal Clean-Up in Barangay Dalahican, Roxas, Oriental Mindoro on February 28, 2023. This highlights the urgent need to prioritize wetland restoration and the steps we need to take to revive and restore degraded wetlands. This is in partnership with the Barangay Captain Danny Talamisan of Dalahican, Roxas and is proactive on different environmental activities.

The barangay chosen is one of the coastal barangays in the Municipality, where the area is a nesting site for the marine sea turtle, a local tourist destination, and a fish sanctuary is located. Due to increasing population in the area, trashes and litters have been observed to be one of the environmental problems the barangay has been facing.

Please be informed that the activity was participated by the employees of Department of Environment and Natural Resources-City Environment and Natural Resources of Roxas, Oriental Mindoro headed by Engr. Caesar E. Quebec, CENR Officer and one (1) Master Teacher I of DepEd-Danggay National High School. It was composed of 7 female and 22 male participants, a total of 29. The activity started at 6:12 AM in the area. Engr. Caesar E. Quebec stated the importance of conservation of the area to all participants and the aftermath of not protecting it. One of the Barangay Counselor expressed his support and to many more environmental activities with the DENR.

The cleanup has lasted for an hour in an approximately 250-meters shoreline stretch. A total of five (5) sacks with an estimated weight of 50 kilograms of wastes/garbage such as plastics, food wrappers, old clothes, fishnets and other non-biodegradable wastes were collected. In spite of the unfavorable weather condition, the activity of coastal clean-up was pursued. The collected wastes/garbage are turned-over to the barangay for proper disposal.

Republic of the Philippines
Department of Environment and Natural Resources
MIMAROPA Region
Community Environment and Natural Resources Office

In conclusion, it was observed that the site is in need of proper waste disposal and barangay must strictly impose the ordinances on such environmental laws. Hence, continuous information campaign will be conducted and coordination with the barangay LGU for strict implementation of ordinances and imposition of penalties on violation to proper solid waste management shall be done.

Attached is the photo documentation, attendance of the said activity, and coordinator ocean trash data form.

COORDINATOR

OCEAN TRASH DATA FORM

Ocean
Conservancy

DEAR CLEANUP COORDINATOR:

Thank you for your hard work, dedication and valuable time spent for this important cause! We appreciate your commitment and passion for trash free seas.

Before you complete this form, compile all data from the Volunteer Ocean Trash Data Form. For each item of trash, add the total number of pieces and enter this number in the "Total" box on the back of this data form. Numbers are the only valid form of data, so please DO NOT use words or check marks in the boxes next to ocean trash items.

NAME: DENR CENRO Roxas, Oriental Mindoro

EMAIL: cenroroxas_orientalmin@yahoo.com

CLEANUP SITE DESCRIPTION

Type of Environment (choose one):

- ☒ Saltwater (Ocean/Bay/Estuary)
☐ Freshwater (River/Stream/Lake)
☐ Inland (No Water Body Present)

Mode of Data Collection (choose one):

- ☒ Land (beach, shoreline or inland)
☐ Underwater
☐ Watercraft (powerboat, sailboat, kayak or canoe)

CLEANUP SITE LOCATION

Cleanup Site Name (beach, park, etc.): Brgy. Dalahican, Roxas, Oriental Mindoro

State or Province: Oriental Mindoro

Zone or County:

Country: Philippines

Nearest Crossroad/Landmark

CLEANUP SUMMARY
