**I. Opening Program**

The program on “DENR- PENRO Stakeholders Consultation Meeting on the Work and Financial Plan F.Y. 2023 & Forward Estimates for F.Y. 2024-2026 with the Updates of MGB & EMB” commenced around 9:00 in the morning with an opening prayer and the singing of Phil. National Anthem. Information Systems Analyst (ISA) II Philippe Zar E. Meñez served as the host of the meeting.

There were forty-five (45) participants composed of twenty-two (22) female and twenty-three (23) male participants from the Municipalities of Sta. Fe, Looc, Alcantara, Sta. Maria, San Agustin including DENR personnel.

Chief of Technical Services Division Malvin R. Rocero delivered his warm Welcome Remarks and acknowledged the presence of the stakeholders per municipality. He said that the purpose of the meeting was to present the WFP FY 2023 and Forward Estimates for FY 2024-2027 with Updates from EMB & MGB plans, programs and projects as well as pertinent issues and concerns. Then, it was followed by the Inspirational Message of the OIC/In-Charged of Office of the Mayor of Alcantara namely Budget Officer Rachel Gaytano.

**II. Consultation Proper**

51  
52 The stakeholder's consultation meeting primarily aimed to present WFP 2023 and  
53 Forward Estimates for FY 2024-2027 with the Updates from EMB and MGB.  
54

55 The said consultation meeting was conducted as part of the DENR's commitment to  
56 ensure continuous collaborations with stakeholders in planning its programs and projects,  
57 uphold transparency and participatory governance, and solicit support and proposed strategies  
58 for better implementation of the identified programs and projects.  
59

60 Also, through the consultation meeting, the stakeholders were able to share their ideas  
61 and suggestions on what programs, projects, and activities were more suitable and relevant to  
62 their respective communities, which can be the basis of PENRO Romblon in its forward  
63 planning in the coming years.  
64

65 During the consultation meeting, Planning Officer III Raymund G. Inocencio initially  
66 shared DENR's Theory of Change of DENR Sec. Maria Antonia "Toni" Yulo-Loyzaga  
67 elaborating the department's vision, strategies (nature-based solutions- major activities and  
68 improving environmental governance), and the outcomes.  
69

70 PO III Inocencio further explained that the goal of this meeting is to ensure  
71 cooperation from various stakeholders for the smooth implementation of ENR plans and  
72 programs.  
73

74 Afterwards, he proceeded to the presentation of the Work and Financial Plan for FY  
75 2023 and the Forward Estimates for FY 2024-2027. The activities covered the different  
76 programs of DENR which are applicable to the province which includes Natural Resources  
77 Enforcement and Regulatory Program, Natural Resources Conservation and Development  
78 Program and Environment and Natural Resources Resiliency Program.  
79

80 After this presentation, Science Research Specialist II Felix Carl F. Falquerabao of  
81 MGB briefly tackled the issue on mining exploration involving Altai Philippines Mining  
82 Corporation (APMC) in Sibuyan, Romblon. He also provided other updates and services of  
83 their office like Geo- Hazard Mapping that includes Flood Susceptibility Mapping; Landslide  
84 Susceptibility Mapping; and Coastal Hazard Mapping; Geo-hazard Certification for  
85 buildings, roads and other establishments; Groundwater Mapping; and technical assistance to  
86 Provincial Mining Regulatory Board. This year, their Office targeted Geo-Hazard Mapping  
87 and updating the Geo-Hazard Maps of the following island municipalities of Banton,  
88 Corcuera and San Jose Romblon.  
89

90 After this, Chief EMS Irwin A. Anzaldo of EMB provided updates especially on the  
91 mining exploration issue of APMC in Sibuyan, Island, Romblon. He apologized about the  
92 limitation of information's regarding the said subject matter because only allowed  
93 spokesperson of the department could provide it. Other issues tackled were the Causeway  
94 Project of DPWH situated at the beach of Calatrava, Romblon; coverage of Presidential  
95 Decree No. 1586 (Phil. Environmental Impact Statement System (PEISS) on the issuance of  
96 CNC and ECC; the LGU concerns on Republic Act No. 8749, otherwise known as Phil.  
97 Clean Air Act; Republic Act No. 9275 or the Clean Water Act of 2004 especially Wastewater  
98 Discharge Permit (WWDP); and Republic Act No. 6969 or the Toxic Substances and  
99 Hazardous and Nuclear Waste Control Act of 1990. Moreover, he said that if there are other

issues and concerns in their municipalities just communicate with the EMB in Odiongan, Romblon.

After this, Photo Opportunity of the participants followed.

Likewise, Open Forum/Consultation among the participants facilitated by Information Systems Analyst Meñez. He encouraged the participants to give their insights, inputs, comments and suggestions for possible engagements with the concerned DENR offices.

The Municipal Assessor of Alcantara, Romblon namely Andrew G. Dalisay raised some issues and concern about Rapid Land Tenure Appraisal (RLTA).

LMO III Allan T. Sendiong responded that RLTA of Alcantara, Romblon followed after Romblon, Romblon in Year 2024. He informed also the participants on the Digital Cadastral Database (DCDB) and the digitization of land maps.

Municipal Agriculturist Mario R. Galisanao inquired about their ongoing eco-tourism development, Mangrove reforestation and the technical assistance/collaboration with the DENR.

LMO III Sendiong responded that the concerned LGU shall need to provide development plan together with letter request address to DENR.

MSD Chief Thelmo S. Hernandez commented to validate/consult the said propose development within in relation to their respective Forest Land Use Plan (FLUP).

MPDC Angela C. Quijano of San Agustin, Romblon raised concerned about the scheduled cave and cave resources assessment and initial classification and the present status of their FLUP.

MSD Chief Hernandez shortly replied that their FLUP was already approved and only participation from the LGU was needed in the conduct of cave assessment.

SB Member Jonathan T. Gaytano of Looc, Romblon raised his concerns about DENR forest tree seedlings distribution and tree planting activities. He pointed out that the indigenous tree shall be used instead of exotic tree in terms of reforestation. He also made a request to validate the 200-year-old Pili Tree at Guinhayaan, Looc, Romblon. He also provided information about the strict compliance on prohibiting the use of single use plastic with their municipality.

Forester I Catherine O Atienza replied that the DENR promoted the planting of indigenous tree seedlings especially in the watershed areas.

Municipal Assessor Dalisay raised his concerns on the potential diving sites within their municipal water including relevant data on seagrass.

PO III Inocencio replied that the said concern will be given utmost attention through collaborative effort with other concerned agencies like RSU, DA-BFAR and Provincial LGU.

MDRRMO Cipriano R. Marcelo of Alcantara requested technical trainings on GIS mapping, coastal resources assessment and information on pollution control.

Science Research Specialist II Falquerabao of MGB replied that GIS Training offered within their office and it could be requested by the LGU.

Chief EMS Anzaldo of EMB provided vital information about Permit to Operate, Discharge Permit and deputation of Pollution Control Officer.

PO III Inocencio encouraged the concerned LGUs to formally send letter request to DENR regarding the conduct of coastal and marine resources assessment.

Punong Barangay Sulpicio G. Machado of Binongaan, San Agustin pointed out to address the pervasive threats brought by coastal/marine pollution in particular land based source.

Chief EMS Anzaldo replied that under RA No. 9275 or Clean Water Act of 2004 provides the comprehensive water quality management. Various measures in preventing, controlling and abating pollution of the country's water resources were provided by the concerned government offices.

Likewise, SB Member Joysie M. Astillo raised her concern about the sand and gravel extraction activities in the Municipality of Sta. Maria that caused degradation of their coastal areas.

Science Research Specialist II Falquerabao of MBG replied to refer this concern to PMRB and include in his schedule the conduct of joint assessment of the subject area.

Further, MPDC Quijano of San Agustin requested DENR-EMB to provide financial and technical assistance in the conduct of feasibility study about water treatment facility.

Chief EMS Anzaldo replied that their Office allocated budget regarding the said concern.

MDRRMO Marcelo of Alcantara raised question on how to apply tree cutting permit for Hazardous Trees.

Forester I Crisamel Miranda answered that there shall be letter request to DENR-PENRO with attached certifications from MDRRMO and concerned LGUs interposing no objection and stating that the subject tree posed danger to life and properties, photocopy of land title, and field inspection/validation by the concerned DENR-PENRO personnel. After completing these requirements, it will be forwarded to the Regional Office for the issuance of tree cutting permit.

Forester II Mendoza reminded that before the cutting of tree, concerned personnel of Monitoring and Enforcement Section need to inspect it.

Since there were no other issues and concerns raised by the stakeholders, ISA II Meñez proceeded to the Awarding of Certificate of Appreciation per Municipality.

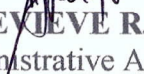

199 **III. Way Forward/Concluding Remarks**

200  
201 MSD Chief Thelmo S. Hernandez expressed his heartfelt thanks and gratitude to all  
202 stakeholders who actively participated in the stakeholder's consultation meeting particularly  
203 to the Municipal LGUs of Looc, Sta. Fe, Alcantara, Sta. Maria and San Agustin.  
204

205 He assured that all of the inputs provided by the partner LGUs will be given utmost  
206 consideration including the issues and concerns raised.

Madam:

Greetings in conservation!

Please be informed that we will conduct the "DENR- PENRO Stakeholders Consultation Meeting on the Work and Financial Plan F.Y. 2023 & Forward Estimate for F.Y. 2024-2026 with the updates of MGB & EMB" to be held in the Municipality of Alcantara on February 24, 2023, 8:00 in the morning.

It aims to ensure continuous collaborations with stakeholders in the conduct of planning on various programs and projects for the protection and management of environment and natural resources in the Province of Romblon.

Furthermore, concerned stakeholders can share their ideas and suggestions on what programs, projects, and activities are more suitable and relevant to their respective localities, which can be the basis of this Office in its forward planning in the years to come.

In view of this, we would like to invite you together with other concerned officials from the Office of the Vice-Mayor, Sangguniang Bayan-Chair on Environment, Municipal Agriculture Office and Liga ng Barangay President to participate on the said consultation meeting.

Thank you very much and hoping for your favorable response in this regard.

Very truly yours,
