Dear Secretary Loyzaga:

I am Angel C. Dagaraga, a retired forest ranger from the Department of Environment and Natural Resources, CENRO Quezon, Palawan. I have rendered service to the agency for forty (40) years and have retired on June 30, 2021.

In this connection, I would to reiterate my request for payment of remaining accumulative leaves. Currently, I am taking maintenance medicine for hypertension and has a history of heart illness. At present, I have no more work and don't have a source of income to regularly purchase medicine. I am hoping for the immediate grant of this request as it would greatly help to sustain my medicine and regular check-ups.

Thank you and more power!

Very truly yours,

ANGEL C. DAGARAGA
