RE: ACTION TO LAND COMPLAINT: E-2022-85482Dear **Honorable Lomelyn Claudio**,

Greetings to you!

This is with regards to the **LAND COMPLAINT** I verified and requested in your office. To finally render action, I am hereby writing you this complaint letter again which was initially brought to your team attention on July 6, 2021(Document Tracking Number E-2021-67926) and secondly last April 20, 2022 (**Document Tracking Number E-2022-85482**) since I am the concerned and directly claimant land owner. A series of follow up emails was sent but to no avail for my query. I believe this complaint is already long overdue as of date. The property I am complaining is stated as follows:

Property Owner	:	Petra Cruz
Property Concerned	:	20 hectares Pulong Bagto Mamburao, Occidental Mindoro
Address	:	Part of it is at Public Land Subdivision Project (PLS-21); Lot 2 Pls-21 14.6359 has under SA (III-11)219. A) Validated by PENRO – Year 1989 still under PETRA CRUZ (see Annex1)

Nature of Complaint	:	<p>This is part of my Father Hidalgo Villarosa Lot.</p> <p>A) I have declaration of Property of this lot</p> <p>B) How come it was transferred to Petra without a Deed of Sale?</p> <p>C) How come PETRA CRUZ was dismissed ahead of DENR on May 25, 1976? This is contradicting to PENRO validation – last July 4, 1989 - (see Annex1)</p>
---------------------	---	---

I went to Mindoro to find this out and investigated and Geodetic Engineer Mastaguhan said that there are still 4 hectares left and I applied for it. However, Mr. Cesar Quebec reacted and asked me in an uncourteous way. I have fought for this land since 1989, 2005, 2021, and until now 2023. And I am still hoping that I can claim a portion of my father's property.

As an update the MIMAROPA went last year January 2022 on site where Ms. Lyn Agaho from DENR MIMAROPA enforcement division who conducted the investigation. **Until now I didn't receive any survey report or investigation result. Can I know what is the appropriate action of the Government? and the next step?**

I am hoping for your favorable action on this regarding my complaint. Since this concern has been already ongoing and much time has been affected, I can't help but resort to file complain to the Civil Service Commission abiding the Republic Act No. 6713 enforcing proper conduct and ethical standards of public officials and employees upholding time-honored principle of public office and Anti Red Tape Authority. I still believe that public office is a public trust.

Attached herewith is the proof of validity by PENRO regarding PETRA CRUZ, while DENR claims it was dismissed which contradicts PENRO's letter.

For your appropriate action. Thank you.

Very Sincerely Yours,

Mrs. ALICIA IBARRA

This is an email letter from my grandmother: **ALICIA VILLAROSA IBARRA**

Sir Madam,

Good day!

First of all, I would like to introduce myself. I'm a retired teacher of Maud II District. I'm asking help regards of what happened to our Land in Mamb Occidental Mindoro (Mamburao).

I would like to file a complaint regarding DENR Mamb Occidental Mindoro as to what happened to our land with questions on paper and documents.

Coura de Espejo was the head of DENR geodetic engineer Cesar Quebec. It's too late to have known about this land.

My father, **Hidoljo Villarosa**, died early when I was still in the womb of my mother. I sent a letter to PENRO, their answer was it's under the name of Petra Cruz. How is it possible that there's no deed of sale between Petra Cruz and my father. This area of 20 hectare. I was the one who got the tax declaration, nobody said that it was transferred to Petra Cruz. I do not know much about the rules of DENR. I went to Mindoro Occidental to find out what happened. Geodetic Mastauguihan said that there's still 4 hectares left. I applied for it, but Cesar Quebec stopped and asked me in an uncourteous way, shouting, so I was frightened. The next time I visited they showed me an index card that said Petra Cruz was dismissed in 1976, but in PENRO, it's still in the name of Petra Cruz. 1989. I asked them what happened and that you dismissed Petra without any valid reason, they were surprised and couldn't speak.

I can't concentrate everytime I remember that they did not give even a small portion of the land.

I sent a letter to the DENR MIMAROPA Enforcement Division. They had an investigation. They did not get any response as to why and what happened, no record at all. Jan 2022 they visited.

Do these things really happen in DENR provinces or remote areas? How can these things happen inside DENR premises?

He wanted justice for what these people had done. It was Lyn Agaho who conducted the investigation of the Enforcement division.

Hoping for your response and assistance. Thank you.

Alicia Villarosa Ibarra

Dear Mrs. Ibarra,

This refers to your letter dated June 23, 1989 inquiring about the status of your father's alleged lot situated in Pulong Bagto. However you failed to mention the municipality and upon verification conducted by this Office, Pulong Bagto is in Mamburao, Occidental Mindoro.

The municipality of Mamburao is under Public Land Subdivision Project (Pls-21) and according to the List of Claimants submitted to the office, there is no lot listed in the name of Hidalgo Villarosa. The name of Petra Cruz appears in our record as applicant of Lot 2, Pls-21 with an area of 14.6359 has. under SA (III-11)219.
