SUBJECT:

REQUEST FOR DATA

Conduct of Pre-Feasibility Study (Pre-FS) Modernization of National Irrigation System of Pagbahan RIS

Dear Ma'am/Sir,

Greetings!

Our firm, **Key ENGINEERS, CO.**, was contracted by the **National Irrigation Administration, MIMAROPA Region** to undertake the **Conduct of Pre-Feasibility Study (Pre-FS) Modernization of National Irrigation System of Pagbahan RIS**. This project was conceptualized thru the initiative of the NIA Regional Office under rehabilitation and improvement for modernization. With the support of NIA- Occidental Mindoro Irrigation Management Office under the management of NIA-MIMAROPA Regional Office, it will be included in the irrigation development plan to augment agricultural development program of the government.

The **National Irrigation Administration, MIMAROPA Region** initiated the project through the conduct of pre-feasibility study to preliminarily assess its value engineering/value analysis, hydraulic analysis, hydrologic assessment, subsurface investigations, ground survey, cost estimates, economic and financial analysis, electro-mechanical works, soil, and land classification study and agronomic, environmental, and social assessment.

As part of the development, secondary data were needed. In line with this, we humbly request for a copy of the following data:

1. Environmental Baseline Studies – Terrestrial and Aquatic Flora and Fauna, Water Quality, Air and Noise Quality of Pagbahan River
2. Watershed Management Plans/Program and/or Watershed Characterization of Pagbahan River
3. National Greening Program and Map/s in shapefiles
4. Tenurial Instruments
5. Key Biodiversity Areas
6. Protected Areas
7. Replacement Cost for Timber/Forest Trees

Rest assured, the data that you will be providing to us will be used solely for the development of the study.

Should you require any clarifications regarding our request, you may contact our Project Coordinators, Engr. Harold E. Vicente on this mobile (0948) 730-3211, or Ms. Mellany Mella on this mobile (0921) 597-8900 or thru e-mail (E-mail: key_engrs_co@yahoo.com).

Thank you and we are hoping for your favorable consideration and kind assistance with regards to this request.

Very truly yours,

BENIGNO T. PAUCO
Managing Partner/CEO
Key ENGINEERS, CO.
