NARRATIVE REPORT

Forest protection activity is given to Enforcement and Monitoring Section (EMS) of DENR-CENR Offices. As part of the task given to the DENR being the primary agency assigned to protect the Country's Environment and Natural Resources.

Because of the continuous campaign against the forest law offenders, the number of apprehensions grow larger. Due to lack of resources and proper storage facility, some apprehended and confiscated undocumented forest products got damaged and desiccated due exposure to rain and sunlight.

In order to prevent such, DENR-CENRO Sablayan EMS transferred the apprehended and confiscated undocumented forest product from Coordinating Office at Mamburao, Occidental Mindoro to Forest Products Monitoring Station (FPMS) located at Sitio Yapang, Barangay Batongbuhay, Sablayan of the same province.

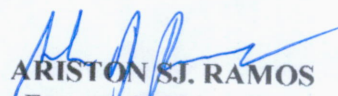

In addition, the Mount Calavite Wildlife Sanctuary (MCWS) turned-over the apprehended and confiscated undocumented forest products from its jurisdiction to Forest Product Monitoring Station as well.

Attached are the acknowledgement receipts issued upon the transfer of the above cited apprehended and confiscated undocumented forest products from DENR-CENRO Sablayan Coordinating Office and MCWS to FPMS for much proper storage facility, additional documentation, safekeeping and subject of appropriate legal actions.
