MEMORANDUM

FOR : The Regional Executive Director
DENR MIMAROPA

THRU : The OIC, ARD for Technical Services
DENR MIMAROPA

FROM : The OIC, PENR Officer
Oriental Mindoro

SUBJECT : **SUBMISSION OF MINUTES OF INFORMATION EDUCATION
AND COMMUNICATION (IEC) CAMPAIGN AT PNP
REGIONAL TRAINING CENTER, BARANGAY PAG-ASA,
BANSUD, ORIENTAL MINDORO ON FEBRUARY 24, 2023**

Submitted is the minutes of Information, Education and Communication (IEC) campaign conducted by CENRO Socorro at PNP Regional Training Center in Barangay Pagasa, Bansud, Oriental Mindoro on February 24, 2023.

The said activity was participated by 48 PNP personnel undergoing the Public Safety Officers Candidate Course (PSOCC). Among the topics discussed are:

1. DENR background and organizational structure;
2. Introduction to Ecology and State of the Philippine Forest;
3. Revised Forestry Code of the Philippines as amended by EO 277 and further amended by RA7161;
4. Republic Act 9175 "Chainsaw Act of 2002";
5. Guidelines for the Issuance of Tree Cutting Permit; and
6. Climate Change.

An open forum activity was conducted after the lecture to further clarify the questions of the participants. Attached are the geo-tagged photos and attendance sheet of the campaign that serves as MOV for CY 2023 Work and Financial Plan.

For information and record.

MEMORANDUM

FOR : The Regional Executive Director
1515 & S Bldg. Roxas Boulevard, Ermita, Manila

THRU : The OIC-PENR Officer
Calapan City, Oriental Mindoro

FROM : The CENR Officer

SUBJECT : **SUBMISSION OF MINUTES OF INFORMATION EDUCATION
AND COMMUNICATION (IEC) CAMPAIGN AT PNP REGIONAL
TRAINING CENTER, BRGY. PAG-ASA, BANSUD, ORIENTAL**

We are pleased to submit the minutes of IEC campaign conducted on February 24, 2023 with the members of PNP Public Safety Officers Candidate Course (PSOCC). A total of 48 participants (34 male and 14 female) had attended the said lecture.

The participants were informed of the following:

- DENR background and organizational structure;
- Introduction to Ecology and State of the Philippine Forest;
- Revised Forestry Code of the Philippines as amended by EO 277 and further amended by RA 7161;
- Republic Act 9175 "Chainsaw Act of 2002";
- Guidelines for the Issuance of Tree Cutting Permit;
- Climate Change.

Attached are minutes of the IEC campaign, geo-tagged photos, and attendance sheet. This documents serve as our MOV under the target Menu 5.2 IEC Campaign, CENRO level meetings, consultation, orientation, seminars and symposium.

For information and record.

RODEL M. BOYLES

MINUTES OF INFORMATION EDUCATION CAMPAIGN (IEC)

PNP Regional Training Center,
Brgy. Pag-asa, Bansud, Oriental Mindoro
February 24, 2023

I. OPENING PROGRAM

The IEC was conducted by Monitoring and Enforcement Section (MES) personnel to the members of PNP Public Safety Officers Candidate Course (PSOCC). A total of 48 participants (34 male and 14 female) had attended the said lecture. The lecture was started at 9:00 o'clock in the morning with an opening prayer followed by singing of Philippine National Anthem, roll call of the participants and introduction of the Resource Speakers.

II. OBJECTIVES

- a. To educate the members of PNP Public Safety Officers Candidate Course (PSOCC) on Ecology and Environmental Protection

III. PRESENTATION AND DISCUSSION

a. DENR background and organizational structure

Forester I, Kevin Corpuz presented the DENR history, vision, and mission and organization structure. The agency is headed by DENR Secretary, Ma. Antonia "Toni" Yulo-Loyzaga with nine (9) undersecretary, nine (9) assistant secretary, 16 regional offices, 75 Provincial Environment and Natural Resources Office (PENROs), 138 Community Environment and Natural Resources Office (CENROs) and six (6) research centers.

He also mentioned the four (4) staff bureaus namely: Forest Management, Biodiversity Management, Land Management and Ecosystem Research and Development and the two (2) line bureaus are Environmental Management and Mines and Geosciences. He also mentioned the Regional Executive Director (RED) of MIMAROPA region no other than RED, Lormelyn E. Claudio, PENR Officer, CENR Officers of Oriental Mindoro and the organizational structure of CENRO Socorro.

He also explained the 10 Priority Programs of DENR as follows:

- 1) Enhanced National Greening Program (ENGP)
- 2) Manila Bay Rehabilitation
- 3) Forest Protection and Anti-illegal Logging program
- 4) Clean Air
- 5) Clean Water
- 6) Solid Waste Management
- 7) Enhanced Biodiversity Conservation

- 8) Scaling-up of Coastal and Marine Ecosystem
- 9) Geo-Hazard, Groundwater Assessment and Responsible Mining
- 10) Improved Land Administration and Management

b. Introduction to Ecology and State of the Philippine Forest

Forester II, Leonida Mindaros discussed the introduction to Ecology. She explained the meaning, difference and importance of Ecology, Ecosystem, and Biomes. She also cited examples with pictures to easily understand. She also discussed Forest and its importance. She presented six (6) types of Forest in the Philippines: Mangrove Forest, Beach Forest, Molave Forest, Dipterocarp Forest, Pine Forest and Mossy Forest. She explained some of their characteristics to easily identify and mentioned their importance.

She also presented and discussed the State of the Philippine Forest and the scenario in Oriental Mindoro. She said that Forest is the main source of food especially for the Indigenous Peoples, source of water not only for the upland communities but also for the lowland and this water can also generate electricity thru construction of hydro power. She mentioned that there are two (2) hydropower under the jurisdiction of CENRO-Socorro: (1) Catuiran Hydro power located at Barangays of Banuton, Malvar and Balite in the municipality of Naujan and (2) Ormin Power in San Teodoro. She also said that Forest serves as carbon sink. It absorbs greenhouse gases in the atmosphere.

Forester Mindaros mentioned that the Philippine Forest is among the most diverse in the world but also among the most endangered (nanganganib). She presented those biodiversity that can only be seen in the country (endemic).

She presented the map showing the rapid loss of Forest cover from 1900 to 2010. She mentioned the top causes of Deforestation in our country such as corporate large scale mining, massive forest conversion, illegal logging by legal licensees and non-licensees and unsustainable forest management. She said that the declining trend on forest cover is very alarming that needs immediate and long-term solution that encompasses from ridge-to reef approach. She said that their IEC activity is part of the solution that brings awareness to the communities on the status of our Forest and how to take care for this natural resources. She encourage the participants to take part of the solution.

Forester Mindaros also discussed some Government actions on the massive Forest Deforestation:

1. Declaring a moratorium on the cutting and harvesting of timber in the natural and residual forests and creating the anti-illegal logging task force (EO 23). Total ban on the cutting and harvesting in natural and residual forests throughout the country. She mentioned that they had organized and created Oriental Mindoro Sagip Kalikasan Task Force (SAKAL) in support to the Governments call to protect our remaining forest. She mentioned the members of the task force are NBI, PNP, Philippine Army, MENRO and ABC president of the municipality under the jurisdiction of CENRO Socorro.

2. Continuous apprehension of illegally cut/transported forest products, filling of case and closure of wood processing plants. She said that the PNP are very active when it comes to apprehension of illegal lumbers.
3. Implementation of National Greening Program (EO 26 and 193). She encourage the participants to initiate tree planting activities in the public land or even in the riverbanks in support to the greening program.

She also presented the scenario in Oriental Mindoro. She presented the land classification, Forestland distribution, Forest cover in area, Forest condition and the causes of Deforestation. She mentioned the major causes of deforestation in Oriental Mindoro such as timber poaching, charcoal making, forest fire and slash and burn agriculture and being the primary government agency in protecting and conserving our natural resources she urged the participants to help them in their mandate for future generations.

c. Revised Forestry Code of the Philippines as amended by EO 277 and further amended by RA 7161

Legal Researcher, Sherlyn A. Layesa presented and discussed the Presidential Decree P.D. 705 its purpose, rationale and amendments as well as the criminal offenses, penalties and some related laws.

She presented and discussed in details the following offenses and its penalties:

- 1) Cutting, Gathering and/or Collecting Timber, or Other Forest Products Without License [includes illegal possession of forest products] (Section 77);
- 2) Unlawful Occupation or Destruction of Forest Lands and Grazing Lands [includes kaingin making] (Section 78);
- 3) Pasturing Livestock Without Authority in Forest Lands, Grazing Lands, and Undisposed Alienable and Disposable Lands (Section 79);
- 4) Illegal Occupation of National Parks Systems and Recreation Areas and Vandalism Therein (Section 80);
- 5) Destruction of Wildlife Resources (Section 81);
- 6) Survey by Unauthorized Person (Section 82);
- 7) Misclassification and Survey by Government Official or Employee (Section 83);
- 8) Issuance of Tax Declaration by any Public Officer or Employee without a Certification from the Director of Forest Development and Director of Lands (Section 84);
- 9) Coercion and Influence of Public Officer or Employee (section 85);
- 10) Unlawful Possession of Implements and Devices Used by Forest Officers (Section 86);
- 11) Failure or Refusal to Pay, Collect or Remit Forest Charges (Section 87);
- 12) Sale of Wood Products without Compliance to Grading Rules and Standards (Section 88).

She also discussed the meaning of Forest Products and the term Permit as defined in PD 705 as well as the general rule in the issuance of tree cutting permit which states that Tree Cutting Permit is required prior to cutting and possession of timber/lumber from any public or private land. Otherwise, she said that the act is

illegal under PD 705, as amended but there are also exceptions like on the following circumstances:

1. Cutting of trees/timber found within a duly registered private tree plantation (CTPO/PLTP) pursuant to DENR Memorandum Circular 97-09;
2. Trimming, pruning, cutting, or clearing activities for tall growing plants within the power line corridor – the owner or operator of the power lines need not secure prior clearance or permit from DENR but must give due notice to DENR or PCA, as the case may be, concerned LGUs, and other relevant government agencies pursuant to Section 7 in relation to Section 12, RA 11361 or "Anti-Obstruction of Power Lines Act", but see FMB Technical Bulletin for 69 kV to 500 kV, cutting permit is required); and
3. Indigenous people with similar factual circumstances pursuant to Diosdado Sama Y Hinupas and Bandy Masanglay Y Aceveda, Petitioners v. People of the Philippines, Respondent, G.R. No. 224469, 05 January 2021. Lazaro-Javier, J. En Banc. She further explained by presenting the facts, the issue and the ruling of this case.

She further discussed the prohibition on the issuance cutting permit in the following:

1. Mangroves (Section 43, PD 705 in relation to DENR administrative Order No. 15-90); and
2. Naturally growing or planted trees of any kind, flowering or ornamental plants and shrubs, or plants of scenic, aesthetic and ecological values, along public roads, in plazas, parks other than national parks, school premises or in any other public ground or place, or on banks of rivers or creeks, or along roads in land subdivisions or areas therein for the common use of the owners of lots therein, or any species of vegetation or forest cover found therein shall, be punished with imprisonment for not less than six months and not more than two years, or a fine of not less than five hundred pesos and not more than five thousand pesos, or with both such imprisonment and fine at the discretion of the court; Except when public safety requires but with prior approval from DENR. (Section 3, PD 953 or "Requiring the Planting of Trees in Certain Places and Penalizing Unauthorized Cutting, Destruction, Damaging and Injuring of Certain Trees, Plants and Vegetation"

In addition, she elaborated the classification of lands of the public domain pursuant to Section 3, Article XII of 1987 constitution and further explained Forest Lands, Public Forest, Permanent Forest or Forest Reserves and Forest Reservations pursuant to PD 705.

d. Chainsaw Act

Legal Researcher, Sherlyn A. Layesa presented and discussed R.A. 9175 "Chainsaw Act of 2002" He explained the following:

- Basic Policy of the State and Objectives
- Overview of the Process

- Definition of Chainsaw
- Permit to Purchase
- Permit to Sell, Re-sell, Dispose, Distribute, or Transfer
- Authority to Lease, Rent, or Lend
- Certificate of Registration and Renewal
- Penal Provisions
- Confiscation of Chainsaw
- Revocation or Recall of Registration, Permit, or Authority
- Reward

She discussed who are the persons authorized to manufacture, sell and import chainsaws, persons authorized to purchase, transfer the ownership, import, manufacture, distribute, and/or sell, re-sell chainsaws and persons authorized to own, possess and use chainsaws. She also enumerated and discussed in details the requirements in securing permit to purchase, permit to sell, re-sell, dispose, distribute or transfer ownership and in securing Certificate of Registration as well as the requirements for renewal of Certificate of Registration.

She also discussed the some penal provisions under this law:

In Section 12.1 "*Selling, purchasing, reselling, transferring, distribution or possessing a chainsaw without a proper permit*" the penalty is imprisonment of four (4) years, two (2) months and one (1) day to six (6) years, fine of not less than 15,000.00 to 30,000.00 depends on the discretion of the court and the Chainsaw will be confiscated in favor of the government.

In Section 12.2 "*unlawful importation or manufacturing of chainsaw*" the penalty is imprisonment of not less than one (1) month but not more than six (6) months and fine not less than 1,000.00 to 4,000.00.

In Section 12.3 "*Tampering of Engine Serial number*" Imprisonment of not less than one (1) month nor more than six (6) months and fine of not less than Php 1,000.00 nor more than Php 4,000.00.

In Section 12.4 "*Actual Unlawful use of Chainsaw*" Any person who is found to be in possession of a chainsaw and uses the same to cut trees and timber in forest land or elsewhere except as authorized by the Department shall be penalized with imprisonment of six (6) years and one (1) day to eight (8) years or a fine of not less than Thirty Thousand Pesos (P30,000.00) but not more than Fifty Thousand Pesos (P50,000.00) or both at the discretion of the court without prejudice to being prosecuted for a separate offense that may have been simultaneously committed. The chainsaw unlawfully used shall likewise be confiscated in favor of the government.

She also discussed those Chainsaw subject for confiscation (Judicial and Administrative) pursuant to Section 13 and 14. She also mentioned of the Reward under Section 15 but as of the date, there are no individuals claimed a reward to CENRO Socorro. She encouraged the participants to buy Chainsaws only in authorized dealer of DENR to register their chainsaw easily.

e. Guidelines for the Issuance of Tree Cutting Permit

Forester I, Kevin L. Corpuz, presented and discussed the DAO 2021-11 also known as “Guidelines in the processing and issuance of permits for the cutting, removal and relocation of naturally growing trees”. He explained some terms such as Development Plan, Earth-balling Permit, Forest Charges, Forest Lands, Naturally-Grown trees, Planted Trees, Private Land, Special/Private Land Timber Permit (S/PLTP), Special Tree Cutting Permit (STCP), Special Tree Cutting and/or Earth-Balling Permit (STC/EP, Tree Inventory and Utilization plan.

He also discussed the requirements for the issuance of Tree Cutting Permit for Naturally Grown Trees within private lands and for the Naturally Grown tree/s within Public or Forest Lands. He reiterated the Issuing authority pursuant to Section 6 of DAO 2021-11 and the duration of the tree cutting permit which shall not exceed to one (1) year.

He explained the objectives of DAO 2020-18 also known as “Promoting tree plantation development and liberalizing harvesting and transport of planted trees and tree derivatives for inclusive growth and sustainable development”.

He further explained Section 6 of the said DAO. “*Planted Trees in Private Land*”, Private landowner shall follow these harvesting and transportation guidelines:

- 1) When private landowner will engage in tree plantation, he/ she shall register said plantation to the nearest CENRO Office. No fees shall be collected by the CENRO;
- 2) No tree cutting permit and Self-Monitoring Form (SMF) are required in harvesting and transporting harvested logs from registered plantations. Only Certification is issued;
- 3) For ease of transport, the logs and tree derivatives shall be accompanied by the original copy of Certification stating that the products are from the landowner’s private property. The Certification shall be displayed prominently in the vehicle where the log and derivatives will be carried;
- 4) When the logs and tree derivatives will only be used inside the landowner’s private property, no Certification shall be needed.

Forester Kevin mentioned the private tree plantation to be register are newly established plantation, established plantation and even those matured plantation.

He also mentioned the requirements for the registration of private tree plantation such as:

1. Letter request of the landowner of his/her intension address to CENRO Rodel M. Boyles;
2. BLGU and MLGU Certification stating “that there are planted trees in the said private titled property;
3. Authenticated copy of title (Register of Deeds). If title is awarded by the Department of Agrarian reform (DAR), secure certification from DAR;
4. Tax Declaration.

f. Climate Change

Forester II, Leonida Mindaros discussed some factual information about Climate Change. She differentiated Climate Change and Global warming. She also explained the greenhouse effect and the different greenhouse gases.

She discussed some causes of Climate Change and its effects to our mother earth and to human being as well. She reiterated that the main cause of Climate Change is the loss of Forest cover that serves as Carbon sink.

She discussed some ways to reduce the impact of Climate Change:

- Use solar panels or renewable energy
- Use alternative means of transportation. Use a bicycle or just walk if the destination is nearby
- Segregate garbage
- Avoid using plastics
- Practice re-use, reduce and re-cycle (re-use, reduce and re-cycle)
- Be active and participate in environmental programs
- Do not waste water
- Turn off lights and unplug appliances when not in use
- Buy only what you need to buy and eat only what you can eat
- Keep vehicles in good condition
- Take public transport
- Tree planting.

VII. OPEN FORUM

| TANUNG | SAGOT |
|---|--|
| Paanu ipaputol ang mga itinanim na kahoy sa pribadong lupa? | Sumulat lng po sa aming CENRO, Rodel M. Boles kalakip ng sulat ang mga requirements na nabanggit kanina. |
| Ano ang ginagawa ng DENR na hakbang para mapigilan ang pagkaubos ng kagubatan? | Aside sa mga nabanggit kanina continues ang pakikipag partner ng aming ahensya sa ibat ibang sector ng lipunan para mapangalagaan ang natitira pang kagubatan. Tuloy tuloy din ang aming IEC sa mga hotspot areas namin. |
| Paanu mapuputol ang puno na itinanim pero walang titulo? | Isa po kasi sa requirement ay authenticated title ng lupa. Yon po ay nakalagay sa DAO 2021-11 na nilecture kanina. Mas maganda po na ipatitulo muna ang lupa bago iapply ng cutting para hindi saying ang lakad sa DENR. |
| Mababa lng ang parusa sa illegal cutting sa PD 705, may ginawa na bang aksyon ng DENR tungkol dto? | Matagal n po kasing issue yan sa mga trainings, meetings laging nareraise yan na issue. Kaya sa palagay ko naman ay may ginagawa na ang aming top management tungkol dyan. |
| Gaanu katagal maissue cutting permit? | Kapag CENRO level po, dito lang sa amin 16 working days dapat mailabas na ang cutting permit. Kapag mga premium species like Narra sa Regional kapag planted at Central Office kapag naturally grown medyo matagal tagal din po. |

| | |
|--|--|
| Paano mautilize ang mga puno na nabagyo or naianod ng baha? | Dati po kasi meron tayong tinatawag na wood recovery permit pero inabuso kaya sinuspend ang pag issue nito at hindi pa nalilift hanggang ngayon. Kapag may Bagyo ng iissue ang top management ng wood recovery permit para lng sa mga nabagyo na puno para mapakinabang. |
| Doon sa PD 705 wala ang uling as forest product? Sa ibang court hindi na tinatanggap ang pagfile ng case sa uling, ano na ang ginawa ng DENR tungkol ditto? | Nag pasa na ang aming legal ng appeal sa supreme court para sa issue na yan. Kapag dumating icocopy furnish naming lahat ng PNP Station. |
| Ano ang gagawin sa mga puno na pinutol ng DPWH nasakop ng aming pribadong na lupa. | Ang DENR po ay ngmomonitor during cutting ng mga puno ng DPWH. Kapag may nagclaim, susulat lng sa opisina then iimbistigahan, mgpasa ng titulo at iplot ang mga puno kung pasok sa tituladong lupa nila. Kapag pasok ibibigay sa kanila ang kahoy kapag hindi nman po idonate sa mga nangangailangan ng lumbers. |
| Bakit nman po sa ibang lugar ang iiksi ng putol ng DPWH. Hindi na mapakinabangan. | Dati po ganyan ang putol nila pero sinabihan na po ang mga contractor na 5 meters to 7 meters ang haba para mapakinabangan ng husto. |

VIII. CLOSING PROGRAM

Forester Mindaros ended the program by giving her heartfelt appreciation to all the participants in behalf of CENR Officer, Rodel M. Boyles for their active participation. She hopes that they have learned some information that serves as guide in executing their mandates as Police Officers in terms of Environmental Protection.

The IEC lecture was ended at around 12:30 PM.
