MEMORANDUM

FOR : The OIC, PENR Officer

FROM : The CENR Officer

SUBJECT : **SUBMISSION OF EVALUATION/ASSESSMENT REPORT ON
CERTIFICATE OF STEWARDSHIP CONTRACTS FOR THE
FIRST QUARTER CY-2023**

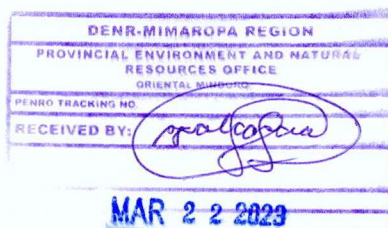

Respectfully submitting the summary report on the performance/evaluation of the stewardship agreement holder conducted by the CENRO Team for the First Quarter of CY 2023. There are sixty (60) expired CSCs covering a total area of 194.081 hectares evaluated/assessed located at Sitios Sipit Saburan and Guisa, Barangay Villaflor in the Municipality of Puerto Galera, Oriental Mindoro.

Based on the result of the evaluation/assessment the 31 CSC holders at Sitio Sipit Saburan are recommended for cancellation because the IP leaders and CSC holders do not want to renew the issued Certificate of Stewardship Contracts (CSC) within the area for the reason that the areas are within their ancestral domain or CADT. They also want to manage the area without the presence of any informal settler like Tagalog and other IPs. While the 29 CSCs at Sitio Guisa are recommended for renewal since the result of their Performance Evaluation and Rating Sheet (Annex C) of the CSC holders are all satisfactory.

Please be informed that these CSCs areas are now part of CADT No. PUE-0404-023 and CADC-009 being occupied by Iraya Mangyan Tribe.

Attached is the summary report on the performance evaluation of Certificate of Stewardship Contract (CSC).

For information and record.
