Respectfully forwarding herewith the highlights of the online and face-to-face Consultation Meeting with Stakeholders held at PENRO Conference Room, Odiongan, Romblon on February 17, 2023 at 9:00 a.m.

The Consultation Meeting with Stakeholders primarily aimed to present WFP 2023 and Forward Estimates for FY 2024-2027 including CSOs Inputs on the proposed FY 2024 under New Programs and Projects.

The said meeting conducted as part of the DENR's commitment to ensure continuous collaborations with stakeholders in planning its programs and projects, uphold transparency and participatory governance, and solicit support and proposed strategies for better implementation of the identified programs and projects.

Please see attached pertinent documents of the said consultation meeting.

For information and further instruction.

  
**ARNOLDO A. BLAZA, JR.**

**I. Opening Program**

The Opening Program on Consultation Meeting with Stakeholders commenced around 9:00 in the morning through Opening Prayer and Singing of Philippine National Anthem. Information Officer (IO) Eunice May A. Cacabelos acknowledged the attendees both online and face-to-face.

There were nineteen (19) participants composed of eight (8) females and eleven (11) males from LGU- Odiongan, academe, partner government agencies, business sector, CSO, and DENR Personnel.

LMO III Allan T. Sendiong, Chief of the Regulation and Permitting Section delivered Welcome Remarks. He acknowledged the presence of the participants and encouraged them to share their ideas with the target and proposed activities of PENRO including the issues and concerns pertaining to environment and natural resources like Titling, Cutting permits, Chainsaw registration and other projects of DENR.

After this, Photo Opportunity of the participants followed.

## II. Consultation Proper

The Consultation Meeting with Stakeholders primarily aimed to present WFP 2023 and Forward Estimates for FY 2024-2027 including CSOs Inputs on the proposed FY 2024 under New Programs and Projects.

The said meeting conducted as part of the DENR's commitment to ensure continuous collaborations with stakeholders in planning its programs and projects, uphold transparency and participatory governance, and solicit support and proposed strategies for better implementation of the identified programs and projects.

Also, through the consultation meeting, the stakeholders were able to share their ideas and suggestions on what programs, projects, and activities were more suitable and relevant to their respective communities, which can be the basis of PENRO Romblon in its forward planning in the coming years.

During the consultation meeting, Planning Officer III Raymund G. Inocencio initially shared quotation from Ban Ki-Moon which states that *"Building sustainable cities and a sustainable future will need open dialog among all branches national, regional, and local government and it will need the engagement of all the stakeholders including Private Sector and Civil Society and especially the poor and marginalized."*

PO III Inocencio found this quote appropriate on the said meeting. He further explained the goal of this meeting that ensured cooperation from various stakeholders for the smooth implementation of our ENR plans and programs.

Afterwards, he proceeded to the presentation of the Work and Financial Plan for FY 2023 and the Forward Estimates for FY 2024-2027. The activities covered the different programs of DENR which are applicable to the province which includes Natural Resources Enforcement and Regulatory Program, Natural Resources Conservation and Development Program and Environment and Natural Resources Resiliency Program.

After this presentation, Information Officer Cacabelos encouraged the participants to give their comments and suggestions for possible engagements with the DENR.

Dr. Mark G. Calimbo of Romblon State University (RSU) requested e-copy of the presentation for their reference and planned collaboration especially in the field of protected area, biodiversity, ecotourism, reforestation and environmental events. He added that RSU-San Agustin planned to offer a course related to coastal and marine ecosystem management.

PO III Inocencio acknowledged the continuous effort and collaboration of RSU in all the programs and projects of the DENR. He also advised that there shall be MOA/MOU to be adopted by both offices.

MENRO Ramer M. Ramos LGU- Odiongan raised some immediate concerns on the proper implementation of the programs of DENR particularly forestry and protected areas. He mentioned also his concern about Mt. Guiting-Guiting Natural Park (MGGNP) in Sibuyan Island as threatened by mining industry.

PO III Inocencio responded that the particular issue on mining in Sibuyan be left in the hands of the proper authorities as the DENR is mandated to responsibly and sustainably promote mineral resources.

105  
106 Dr. Calimbo of RSU inquired about the Upland Development of Agroforestry of Tiger Grass  
107 within CALSANAG Watershed Forest Reserve as studied by Public Administration students.  
108  
109 PO III Inocencio informed Dr. Calimbo that upland development is allowed only at the Multiple-  
110 Use Zone of the protected area and only tenured migrants could develop the area.  
111  
112 PCG Deputy Commander Robert Soquena conveyed their continued support in the  
113 implementation of ENR programs and projects under their area of jurisdiction.  
114  
115 Likewise, DPWH Engineering Assistant Gemma Amar has no comments on the presentation and  
116 made a request to furnish them e- copy of the presentation for reference of their District Engineer.  
117  
118 Since there were no other issues and concerns raised by the stakeholders, Information Officer  
119 Cacabelos asked the DENR-PENRO concerned section heads/unit heads to share upcoming  
120 activities and or/concerns with the participating stakeholders.  
121  
122 LMO III Sendiong requested the DPWH-DEO to schedule Technical Conference regarding their  
123 Causeway/ Riprap project at Brgy. Lanas in San Jose, Romblon.  
124  
125 Forester I Crisamel Miranda, Head of the Forest Utilization Unit, requested Ms. Amar of DPWH  
126 to inform their concerned personnel about compliance to tree cutting permit and other required  
127 documents in all of their development projects.  
128  
129 LMO II Orlando Contaoi, Head of the Water Resource Utilization Unit, informed the participants  
130 about compliance on water use permit.  
131  
132 Then, Forester I Catherine O. Atienza, NGP Coordinator, informed interested stakeholders to  
133 send letter request address to PENRO Romblon if there is tree planting activities. This Office  
134 provides technical assistance on selecting planting site, demo for proper planting and provision of  
135 seedlings.  
136  
137 Also, Forester II James M. Mendoza, Chief of Monitoring and Enforcement Section expressed his  
138 appreciation for the assistance of LGUs, PCG, PNP and other stakeholders for the effective  
139 enforcement of ENR laws and regulations. He added that part of their field activities was to  
140 monitor airport and seaports.  
141  
142 Jenebeth P. Conanan, Chief Executive Officer of St. Vincent Ferrer Parish Multi-Purpose  
143 Cooperative (SVFPMPC) expressed her thanks to DENR as one of the invited participants. As  
144 their social responsibility, regular clean-up/tree planting activities were initiated by them in  
145 collaborations with LGUs and DENR.  
146  
147 CEO Conanan expressed their intent to engage with the DENR to develop their hundred hectare  
148 lot in Ferrol, Romblon for wood production.  
149  
150 Information Officer Cacabelos also asked MENRO Ramos of LGU-Odiongan about the status of  
151 implementation of their Solid Waste Management, "No to Single-Use Plastic" and "Palit-Basura  
152 Project."  
153  
154 MENRO Ramos replied that the project is still on-going especially the "Palit-Basura Project"  
155 wherein a resident could barter their clean and empty plastic bags and sachets to groceries and  
156 other supplies.

157  
158 MENRO Ramos asked Forester I Miranda about the duration of tree cutting permit approval on  
159 hazardous trees.

160  
161 Forester I Miranda explained that the duration of the permit will not take long if all of the  
162 required documents were secured like letter of intent to cut tree, certifications from the Barangay  
163 and MDRRMO, copy of the land title, field verification/validation by the PENRO and lastly,  
164 issuance of permit to cut from the Regional Office.

165  
166 **III. Synthesis and Way Forward**

167  
168 PO III Inocencio delivered his Synthesis and Way Forward before the participants of the  
169 consultation meeting. He shared immediate concerns about ENR programs, projects and activities  
170 to be implemented within this year and upcoming years as well as engagements or collaborations  
171 on DENR banner programs.

172  
173 On the part of the DENR-PENRO Romblon, he expressed his heartfelt thanks and gratitude to all  
174 stakeholders who actively participate in the consultation meeting especially to Local Government  
175 Unit of Odiongan, Department of Public Works and Highways-District Engineering Office,  
176 Romblon State University (RSU), St. Vincent Ferrer Parish Multi-Purpose Cooperative  
177 (SVFPMC), and Philippine Coast Guard (PCG).

178  
179 WE HEREBY CERTIFY that foregoing highlights of the activity is true and correct.

There will be a presentation of the ENR plans and programs for F.Y. 2023 including the Budget Proposal and Forward Estimates for F.Y. 2024-2027.

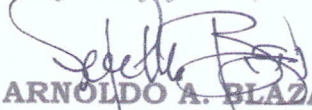

The participants can share their ideas and suggestions on what programs, projects, and activities are more suitable and relevant to their respective localities, which can be the basis of this Office in its forward planning in the years to come.

This activity aims to ensure continuous collaborations with stakeholders in formulating plans, programs and projects as well as to address different issues and concerns for the protection, conservation and management of environment and natural resources in the Province of Romblon.

Meeting ID : 844 7232 6030  
Passcode : 634871

Thank you for your usual support in the protection, conservation and preservation of our environment and natural resources. See you there.

Very truly yours,

  
**ARNOLDO A. BLAZA JR.**  
OIC, PENR Officer
