MEMORANDUM

FOR : The Regional Executive Director

THRU : The Assistant Region Director for Technical Services

FROM : The OIC, PENR Officer

SUBJECT : REITERATION OF OUR MEMORANDUM DATED FEBRUARY 9, 2023 RE: REQUESTING THE DENR MIMAROPA REGIONAL OFFICE TO FACILITATE THE CONDUCT OF DETAILED ASSESSMENT ON THE POTENTIALLY DAMAGED SEA GRASS AND OTHER MARINE RESOURCES ON THE ILLEGAL CONSTRUCTION OF CAUSEWAY OWNED BY ALTAI PHILIPPINE MINING CORPORATION (APMC) LOCATED AT SITIO BATO, BARANGAY ESPAÑA, SAN FERNANDO, ROMBLON

Respectfully reiterating the previous request of this office regarding the above subject dated February 9, 2023.

This office has issued a PENRO Special Order No. 23-20 dated February 7, 2023, creating the team to conduct the Rapid Assessment of potentially damaged seagrass and other marine resources on the illegal construction of causeway owned by APMC. However, this office would like to further request the assistance of DENR MIMAROPA Regional Office on the conduct of detailed assessment on the potentially damaged sea grass and other marine resources and experts from BMB and ERDB to lead the said assessment.

Attached is the copy of the previous request.

For your information and consideration.

ARNOLDO A. BLAZA, JR.

MEMORANDUM

FOR : The Regional Executive Director
DENR MIMAROPA Region
1515 DENR By the Bay Bldg.
Roxas Blvd., Barangay 668
Ermita, Manila

THRU : The Assistant Regional Director
for Technical Services

FROM : The OIC, PENR Officer
Odiongan, Romblon

SUBJECT : REQUESTING THE DENR MIMAROPA REGIONAL OFFICE TO FACILITATE THE CONDUCT OF DETAILED ASSESSMENT ON THE POTENTIALLY DAMAGED SEA GRASS AND OTHER MARINE RESOURCES ON THE ILLEGAL CONSTRUCTION OF CAUSEWAY OWNED BY ALTAI PHILIPPINE MINING CORPORATION (APMC) LOCATED AT SITIO BATO, BARANGAY ESPAÑA, SAN FERNANDO, ROMBLON

Respectfully requesting the DENR MIMAROPA Regional Office to facilitate the conduct of detailed assessment on the potentially damaged sea grass and other marine resources on the illegal construction of causeway owned by Altai Philippine Mining Corporation (APMC) located at Sitio Bato, Barangay España, San Fernando, Romblon.

The request on the conduct of intensive assessment on the potentially damaged sea grass and other marine resources originated from the issued MGB, EMB & DENR MIMAROPA Regional Office JOINT ORDER under Item No. 6 dated 6 February 2023 with the subject "Illegal Construction of Causeway and Other Relative Activities of Altai Philippine Mining Corporation (APMC)."

Furthermore, this Office would like to recommend that experts from the DENR-Ecosystems Research and Development Bureau (ERDB) and Biodiversity Management Bureau (BMB) lead the assessment team.

For information and further instruction.
