MEMORANDUM

TO : The OIC PENR Office
FROM : The CENR Officer
SUBJECT : REQUEST FOR SURVEY ORDER ON THE PROPOSED LOTS OF MUNICIPALITIES OF LOOC AND LUBANG WITHIN THE ADMINISTRATIVE JURISDICTION OF CENRO SABLAYAN, OCCIDENTAL MINDORO

This pertains to your memorandum dated February 1, 2023 pertaining to our request for survey order and the observations made by the personnel of that office.

We are pleased to re-submit the request with the following information to wit:

1. The name of claimant is now explicitly stated based on the available records of this office. However, as to the actual number of claimants it will be determined once the survey is conducted. The figures reported in the document as per provided by the Municipal Assessor is just hypothetical and does not reflect the real situation in the field. We will know the total number once the survey progresses.
2. Also, the office is aware of the provisions of RA 10023 particularly on area limits. I do believe, whoever crafted the communication need not to remind us. Record shows no public land application was returned due to this reason. May we request that next time be careful in crafting a communication and the use of words because if there is more knowledgeable as far as the work is concerned it is us because we are the one engage in the processing the documents.
3. Lastly, we take full responsibility when we recommended that all lots will be surveyed under RA 10023. But, this was already addressed in the attached document.

We hope that thru this explanation everything is clear and may we ask the endorsement from that Office for our request the soonest possible time, so we can start with the survey. Further, may we know if our memorandum dated January 23, 2023 has been forwarded in the Regional Office.

For information and record.
