This pertains to the memorandum from the Assistant Secretary for Policy, Planning and Foreign Assisted and Special Projects Marcial C. Amaro Jr. CESO III dated June 14, 2021 regarding the reactivation of the Department's seedling production and distribution program in order to supply the request of private individuals, other government agencies, NGOs and other stakeholders. In line with this memorandum, the office through the NGP Unit targeted forest nursery as stipulated in the CY 2022 work and financial plan. The forest nursery located at Brgy. San Roque, Bulalacao, Oriental Mindoro was already established for seedling production and distribution.

As of this date, the NGP Unit produced 1,050 cashew and 500 narra with continuous maintenance activities within the nursery.

Attached is the GIS map of the nursery and geotagged photos of activities undertaken.

For information and record.
