MEMORANDUM

FOR : The Regional Executive Director
MIMAROPA Region
1515 DENR By the Bay Building, Roxas Blvd.
Barangay 668, Ermita, Manila

THRU : The OIC Assistant Regional Director for Technical Services

FROM : The Provincial Environment and
Natural Resources Officer

SUBJECT : **MILESTONE REPORT FOR THE PROPOSED SNAKE ISLAND
MARINE RESEARCH STATION CY 2023**

Forwarded is the memorandum dated April 19, 2023 of the Conservation and Development Section (CDS) along with the milestone report for the proposed Snake Island Marine Research Station for CY 2023.

Please be informed that the contract was awarded to A.C.Ong Consulting Inc. and issued the Notice to Proceed for the Architectural and Engineering Design. The bidding will start by the month of June for the construction of SI-MRS Phase 1. The contractor represented by Architect Kristian Rey P. Vergara visited the Snake Island – National Coastal and Marine Center for Research to conduct aerial survey on April 17, 2023 and presented the Snake Island Marine Research Station Conceptual Plan on April 18, 2023 at the PENRO Training Hall.

Moreover, there are some points for clarification that were discussed thoroughly by Architect Vergara after the presentation and some minor amendments. The final schematic plan will be submitted by the contractor to the end user for review, comments, and approval.

For information and record.

Respectfully submitted is the update report of the undersigned on the Proposed Snake Island Marine Research Station CY 2023.

The proposed Snake Island Marine Research Station, recently awarded the contract to A.C.Ong Consulting Inc. and issued the Notice to Proceed for the Architectural and Engineering Design. Bidding will start by the month of June for the construction of SI-MRS phase 1.

Architect Kristian Rey P. Vergara visited the Snake Island-NCMCR to conduct aerial survey on April 17, 2023 and presented the Snake Island Marine Research Station Conceptual Plan to PENRO Felizardo B. Cayatoc, TSD Chief Ronie B. Gandeza and Chief, CDS/SIMO Rhodora B. Ubani at PENRO Palawan training hall on April 18, 2023.

There are some points for clarification and discussed thoroughly by Architect Vergara after the presentation and some minor amendments. The final schematic plan will be submitted by the contractor to the end user for review, comments and approval.

Attached is photo documentation on the said activity.

For your information and record.
