The importance of land titling of friar estates within the territorial jurisdiction of this municipality cannot be overemphasized for the residents of this municipality, whose land areas they tenant are yet to be titled. It has been almost 12 years since the moratorium on land titling in the region was made in effect due to some alleged irregularities in the application process. In view of the foregoing, the undersigned is respectfully requesting your office to lift the suspension on land titling in this municipality. To avoid irregularities in the registration, the Municipal Government of Rizal, Occidental Mindoro will collaborate with the CENRO office to ensure an effective and systematic procedure of registration.

May you find this request meritorious.

Thank you very much.
