To whom it may concern,

I am a Paralegal of Atty. Christian Pillos Law Office, I like to request for Assistance with regard to our Client Request to conduct an Examination on the Questioned Signatures, attached herewith the Request of the PNP Forensics we have requested earlier.

I have just went to DENR Calabarzon to submit the said request, they stamped received on my documents and directed me to submit the same documents to DENR Records in Los Baños in the office of Engr. Nievarez, but upon visiting the office they have refused to receive it and further informed me that they will just wait for the said request to be send to her office. Which eventually will consume more time.

Engr. Irene Nievarez's office is in DENR Los Baños, records division of DENR CALABARZON.

I really don't know the reason why they refused to receive my request in her office.

In this regard I like to request in this office to speed up the process of our request.

Thank you. Respectfully yours,
