2. Issues that will arise from the tree cutting should be addressed directly by the permittee;
3. The trees requested to be cut and parts thereof shall belong to the applicant subject to payment of forest charges. In case of the need to transport these, necessary transport documents shall be secured from the local DENR Office;
4. Prior to tree cutting operations, a placard or signboard measuring 4' x 8' shall be installed in a conspicuous place within the cutting area to inform the public that the tree cutting operation is authorized by the DENR. Such notice of particulars shall include the name of permittee, purpose of the activity and the number of trees to be cut;
5. Consistent with Memorandum Order No. 2012-02 dated 05 November 2012 known as "Uniform Replacement Ratio for Cut or Relocated Trees," the permittee is required to replace the tree to be cut with one hundred (100) seedlings, strictly of indigenous species with at least one (1) meter in height to be donated by the permittee to CENRO concerned in support to the National Greening Program (NGP) and Climate Change initiatives of the Government;
6. The tree cutting operations shall, at all times, be under the direct supervision of the PENRO Oriental Mindoro or her duly authorized representative(s);
7. The permittee shall be required to undertake measures during and after tree cutting operations to mitigate the possible impacts of the said activity to the locality and the environment; and
8. Violation of any of the terms and conditions of the permit shall be sufficient ground for the termination/cancellation of this permit, subject to due process without prejudice to the imposition of appropriate penalties pursuant to existing regulations, and one strike policy to concerned DENR official(s) and/or personnel(s).

This permit is effective upon receipt of the CENRO/Implementing PENRO and shall expire after six (6) months or as soon as the authorized number of tree/s is/are harvested and disposed of, whichever comes first.
