MEMORANDUM

FOR : The Regional Executive Director
DENR MIMAROPA
1515 DENR By the Bay Bldg., Roxas Boulevard,
Barangay 668, Ermita, Manila

THRU : The OIC, ARD for Technical Services

FROM : The Provincial Environment and
Natural Resources Officer

SUBJECT : **PROGRESS REPORT ON PROJECT MONITORING,
VALIDATION AND ASSESSMENT OF GREEN ECONOMY
MODEL (GEM) IMPLEMENTATION IN CENRO CORON,
PALAWAN**

Respectfully forwarded is the memorandum dated March 27, 2023 of CENRO Coron, Palawan re: the above subject.

Please be informed that updating of GEM Coron Master Plan was conducted prior to the actual site validation by the team from Regional Office and GEM Coron staff.

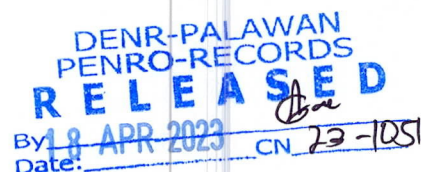

Hence, during validation, the team observed households in Poblacion Barangays and business stalls at public market directly discharge water waste to areas that will possibly flow to river/water ways leading to the sea. Moreover, Slaughter house of LGU Coron was observed not being compliant to the sanitary rules.

In this regard, the team recommends to conduct 100% inventory on establishments within GEM target barangays to address all issues found in the area.

This serves as **Means of Verification (MoV)** for target activities under GEM CY 2023.

For information and record.

March 27, 2023

MEMORANDUM

FOR : The Community Environment and
Natural Resources Officer
Coron, Palawan

FROM : The Planning Officer

SUBJECT : **PROJECT MONITORING AND ASSESSMENT OF GEM PROJECT**

This is in connection to the conducted GEM validation, evaluation and site visit on March 9, 2023 within the target barangays of Coron, Palawan.

Before the actual validation commence, the team from the Regional Office and GEM Coron staff promptly conducted the updating of the GEM Coron Master Plan.

On the following days, the team have conducted site visit and ground validation on the target barangays of GEM to determine and observe the actual situation and issues that was identified to address in the project. During validation, the Team observed some households in Poblacion barangays and business stall at public market directly discharging water waste possibly to going to river/water ways then down to the sea. Slaughter house of LGU Coron is also observed to be not compliant to the sanitary rules having no proper septic tanks discharging water waste in an adjacent area of the property causes stagnant/clogged water produces foul smell.

The validating team recommends to conduct a 100% inventory on establishments within GEM target barangays to address all the issues found in the area.

Please see attached photos of activities conducted including the actual validation.

For information and reference.
