**MEMORANDUM**

FOR : The Regional Executive Director  
1515 DENR By the Bay Building, Roxas Blvd  
Barangay 668, Ermita, Manila

THRU : The Regional Director  
Environmental Management Bureau  
MIMAROPA Region  
: The OIC, PENR Officer  
PENRO Mamburao, Occidental Mindoro

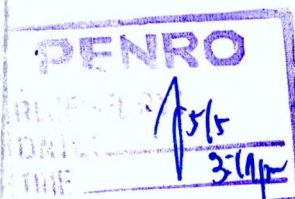

FROM : The CENR Officer

SUBJECT : REQUEST FOR A COPY OF WATERSHED AND WATER  
CLASSIFICATION REPORT OF MOMPONG RIVER  
UNDER AREA OF RESPONSIBILITY OF CENRO  
SABLAYAN, OCCIDENTAL MINDORO

This pertains to the CY 2023 target on Watershed Characterization and Vulnerability Assessment of Mompong Watershed located at Brgys. Malisbong, Batong-buhay, Tuban, Sta. Lucia and San Nicolas, Sablayan, Occidental Mindoro. Be informed that this office is currently conducting Biodiversity Assessment and Monitoring System (BAMS), Key Informant Interview and gathering data on Socio-Economic profile of each barangays within the said watershed. However, we are facing problem on water quality, watershed classification, soil condition and other parameters due to unavailability of device and equipments to be used.

We heard that several years ago there was study made on the classification of Mompong Watershed as well as its water quality and classification. In relation to this, may we know if there are available reports on these two aspects and in the affirmative side, may we request a copy of said reports for our reference in the characterization process as well as the crafting of Integrated Watershed Management Plan (IWMP) of Mompong Watershed.

For information and consideration.
