MEMORANDUM

FOR : The Regional Executive Director
DENR-MIMAROPA Region
Ermita Manila

THRU : The OIC PENR Officer
Mamburao, Occidental Mindoro

FROM : The CENR Officer

SUBJECT : **REPORT ON THE CY 2021 NGP SITES AFFECTED BY FIRE INCIDENT**

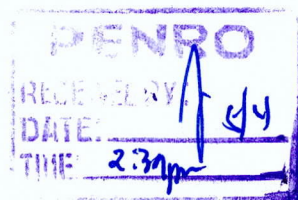

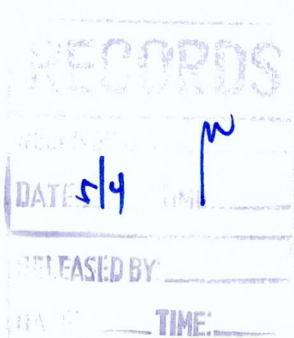

RECORDED
Date: 5-3-23
By: [Signature]

Respectfully forwarded herewith is the Memorandum Report of ENGP Coordinator dated May 02, 2023 regarding the fire incident last April 21, 2023 occurred within the established plantation under NGP CY 2021 located at So. Mamangan, Brgy. Cabacao, Abra de Ilog, Occidental Mindoro.

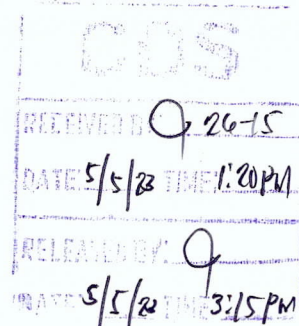

Based on the actual assessment and perimeter survey, the affected area is approximately seven point five (7.5) hectares with corresponding amount of damaged of One Hundred Fifty Eight Thousand Two Hundred fifty Pesos (158, 250.00) computed based on the unit cost of seedlings, plantation establishment and 1st and 2nd year maintenance & protection activities.

Considering the above-mentioned results of assessment on the affected area by fire incident and the corresponding amount of damages, we have recommended that the rehabilitation or re-establishment of plantation should be shouldered by the three NGP Partners because the forest fire occurred during their responsible time of protection as incorporated in their 3rd year maintenance and protection.

For your information and record.

May 02, 2023

MEMORANDUM

FOR : The CENR Officer

THRU : DMO IV/Deputy CENRO

FROM : Forester I/NGP Coordinator

SUBJECT : **REPORT ON THE CY 2021 NGP SITES AFFECTED BY FIRE INCIDENT**

This pertains to the letter dated April 24, 2023 of Amerita Tobias, Quinto Tobias and Jonalyn Tobias 2021 NGP partners regarding the fire incident within the Established Plantation located at Sitio. Mamangan, Brgy. Cabacao, Abra de Ilog Occidental Mindoro.

Please be informed that on April 25, 2023 Forest Extension Officer Harley C. Venturanza together with the NGP Partners conducted assessment and perimeter survey on the area affected by fire incident to the following NGP Partners to wit:

Table 1. NGP Sites Affected by Fire Incident

Name of NGP Partners	Location	Year	Area	Area Affected	No. of Seedlings Affected	Commodity/Species	Amount of loss/damages
Amerita Tobias	So. Mamangan, Brgy. Cabacao Abra de Ilog Occidental Mindoro	2021	5	5	3125	Forest Trees(Narra)	105, 000.00
Quinto Tobias		2021	4	1	625	Forest Trees(Narra)	21, 000.00
Jonalyn Tobias		2021	5	1.5	937	Forest Trees (Narra)	32, 250.00
TOTAL			14	7.5	4, 687		158, 250.00

Based on report and conversation of FEO Venturanza with the affected NGP partners, the established plantation was burned last April 21, 2023 at 6:00 o'clock in the evening. The area was established on CY 2021 and planted with forest trees (Narra species). Allegedly, the cause of fire incident of the area was hunting of wild animals. Unfortunately, the person responsible for the incident was not identified.

Further, based on the actual assessment and perimeter survey using GPS/Locus Map application the affected area was approximately Seven point five (7.5) hectares with

Republic of the Philippines
Department of Environment and Natural Resources
MIMAROPA Region
Community Environment and Natural Resources Office

corresponding amount of loss or damaged of One Hundred Fifty Eight Thousand Two Hundred fifty Pesos (158, 250.00) respectively. The amount of damaged was computed based on the unit cost of seedlings, plantation establishment activities and maintenance & protection activities.

Furthermore, on April 27, 2023 at about 10:51 in the morning, FEO Venturanza together with Chairperson proceeded to Barangay Hall of Cabacao, Abra de Ilog Occidental Mindoro to report the fire incident. On May 01, 2023, they went to the Office of Bureau of Fire Protection at Abra de Ilog, Occidental Mindoro to report the fire incident and to secure certification regarding to the said incident. Unfortunately, the BFP Abra de Ilog has been refuse to issue certification because they need the fire incident report as basis for the issuance of the certification. However, they agreed to provide certification only when they have a report received from this office.

The NGP partners of So. Mamagan, Brgy. Cabacao Occidental Mindoro apologize for the incident, however they promise that they will continue to conduct maintenance and protection activities in the area to avoid such kind of incident.

Considering the above-mentioned results of assessment on the affected area by fire incident and the corresponding amount of damages, we have recommended that the rehabilitation or re-establishment of plantation should be shouldered by the three NGP Partners because the forest fire occurred during their responsible time of protection as incorporated in their 3rd year maintenance and protection.

Attached are the following documents to wit:

1. Letter dated April 24 , 2023 of NGP partners;
2. Pagpapatunay ng Tanggapan ng Punong Barangay ng Cabacao, Abra de Ilog;
3. Map of the affected area; and
4. Geotag photos
