Mildred Suza  
Protected Area Superintendent  
El Nido- Taytay Managed Resource Protected Area

Dear Ms. Suza,

I'm a news stringer working for several foreign journalists. I'm currently on assignment for France 2.

France 2 is a leading public and government-owned French television channel.

France 2 has an Evening News Bulletin, which is the most-watched in France, with 5-6 million viewers.

The France 2 news team will do a feature story on El Nido's three (3) lagoons (the Big, Small, and Secret lagoons).

They will arrive in El Nido on April 21st, and the shoot will be done on the 21st and 22nd (2 days).

I am writing to you because we are preparing a TV feature story about "El Nido, a Paradise on Earth."

We want to feature how this beautiful place in Palawan, the jewel of the Philippines, is preserving the environment.

We would like to film the three lagoons, and we would also like to interview the rangers watching over the lagoons.

We hope to accomplish this through a boat tour with your rangers, who man the area on a regular basis.

One cameraman, one reporter, and one local coordinator/stringer will be part of the crew for the shoot.

Thank you.

Sincerely,

RUTH RODRIGUEZ  
News Stringer/Local Coordinator  
FRANCE 2
