This pertains to the target on the provision of Livelihood Assistance under the Green Economy Model (GEM) project within El Nido Managed Resource Protected Area (ENMRPA), El Nido, Palawan.

We respectfully purpose to hold a meeting and seek guidance with the Biodiversity Management Bureau (BMB) to discuss the existing policies on livelihood assistance particularly the guidelines under the Biodiversity Friendly Enterprise (BDFE) to be provided for the identified accredited People's Organization (PO) within the protected area. As provided under the DENR Administrative Order 2021-13, for potential POs to be recognized and incentivized by the DENR, they should pass all the four (4) levels of recognition such as Level 1: Established; Level 2: Strengthened; Level 3: Institutionalized; and Level 4: Sustained. On the other hand, Section 5 of DENR Administrative Order 2017-08 states that the transition of DENR programs and projects to GEM would entail three (3) main stages namely: a.) The conduct of a Community Enterprise Focus Group Discussion (FGD); b.) The Legal or Formal Organization of a Community Enterprise; and c.) Detailed but brief operating policies of the Community Enterprise that detail prices, quality standards, handling, rejects, penalties that all PMHs agree on.

Relative to this, we respectfully request your availability for a **zoom meeting** to be held on **April 25, 2023 starting 9:00 o'clock in the morning onwards**. Zoom meeting ID and password are provided below.
