BY: \_\_\_\_\_ DATE NO. \_\_\_\_\_

Submitted is the Complete Staff Work of CENRO Socorro on the evaluation/assessment of (45) CSC farm lots with an aggregate area of 146.071 hectares conducted at Sitios Ambang, Ayan-Batino, Ayan-Obanan, Ayan Bay-ang, Bobo-tam-isan, Carotos, Catalosi, Ebuye, Guisa, and Yatab-Katangan, Barangay Villaflor, Municipality of Puerto Galera, Oriental Mindoro.

Based on the Performance Evaluation, 45 CSCs were rated and recommended for renewal. Also, some of the original CSC holders are deceased, thus the nearest family who are developing/improving the area are requesting for renewal and transfer of CSC to their names.

Further, these areas are now part of CADT No. PUE-0404 being occupied by the Iraya Mangyan Tribe.

Attached is the report and Compact disk (CD) containing all the attachments of the evaluation/assessment.

For information and record.
