SUBJECT : **SUBMISSION OF THE 3rd QUARTER COMPLIANCE
MONITORING REPORTS RE: WILDLIFE FARM PERMIT
(WFP), WILDLIFE COLLECTOR'S PERMIT (WCP) FOR
BREEDING, AND CERTIFICATE OF WILDLIFE
REGISTRATION (CWR) WITHIN THE JURISDICTION OF
PENROs MARINDUQUE, ORIENTAL AND OCCIDENTAL
MINDORO**

DATE : **SEP 22 2023**

Respectfully submitted are the Compliance Monitoring Reports including the prescribed forms covering the 3rd Quarter of CY 2023 on the issued Wildlife Farm Permit (WFP), Wildlife Collector's Permit (WCP) for breeding, and Certificate of Wildlife Registration in the provinces of Marinduque, Oriental and Occidental Mindoro.

Based on the report, there are three (3) WFP/WCP holders under the jurisdiction of PENRO Oriental Mindoro: one (1) monkey farm and two (2) butterfly farms. All are found compliant with the terms and conditions stipulated in the approved permit. However, it was observed that the butterfly farms were affected by the recent pandemic since the market demand declined significantly.

In the province of Marinduque, there are fourteen (14) WFP/WCP holders (butterfly farms) and all are also found compliant with the terms and conditions stipulated in the approved permit. In addition, the Monitoring Team disclosed that the previous observations which needed to be addressed by the proponents were already complied. The facilities are fully operational, well-maintained, and with regular transactions supported by the issuance of Local Transport Permits (LTP).

As for the issued Certificate of Wildlife Registration (CWR) in the province of Marinduque, the previous observations of the Monitoring Team such as non-compliance in the submission of monthly breeding reports and labeling of names of wildlife species for proper identification were already acted upon by the proponent. As for the CWR holder in Occidental Mindoro, the proponent was found non-compliant in the submission of monthly breeding reports. A Memorandum of instruction with an even date was issued to PENRO Occidental Mindoro to implement the recommendation of the Monitoring Team (copy attached as Annex A)

This Office recognized the efforts of the permit holders in maintaining their farm facilities despite the challenges brought by the recent pandemic and assured that the permit holders will receive technical support, as needed, to maintain their compliance and good performance as well.

Respectfully furnished is Memorandum dated July 13, 2023 of the Supervising Ecosystems Management Specialist/In-Charge, Office of the Director, Biodiversity Management Bureau (BMB) regarding their comments and recommendations on the Minutes and Resolutions of Malampaya Sound Protected Landscape and Seascape (MSPLS) Protected Area Management Board (MSPLS PAMB) En Banc Meeting held on September 9, 2022.

Please be informed that BMB noted our submission however, made certain comments and recommendations on some resolutions passed in the En Banc Meeting itemized as follows:

Resolutions		BMB Comments and Recommendations
1	Agenda 1, Resolution No. 2022-02, "Resolution Endorsing the Prescribed Measurement of Nets Used in Talakop Fishing Activities within the Outer Sound and Proposed Marine Protected Areas of MSPLS"	BMB has noted the comments of the Regional Office and further advised MSPLS PAMO/PAMB to be guided by Section 20(e) Prohibited Acts of the NIPAS Act, as amended to ensure the following: <ul style="list-style-type: none">a. Use of fishing and harvesting gear and practices should conform with the PAMP of MSPLS; andb. Confine the conduct of fishing activities within the Multiple-Use Zone (MUZ) of the protected area.
2	Resolution No. 2022-03 "Resolution Endorsing the Re-Opening of Kuyawyaw Falls at Barangay Cataban, Taytay, Palawan"	It was noted by BMB that based on the Minutes of Meeting, BLGU Cataban collects entrance fee from local/foreign tourists while PAMO MSPLS also collects entrance fee, both covered by Official Receipts. PAMO MSPLS is reminded of Section 16, NIPAS Act, as amended that "all income/revenues such as fees and charges derived from the use of PA resources and facilities as well as from operation of the protected area shall accrue to the IPAF."

Respectfully submitted is the Memorandum dated 31 July 2023 of PENRO Palawan together with the copy of the pertinent documents relative to the above subject. This is a part of the accomplishment for the CY 2023 target activity under OO1: Natural Resources and Development Program: Protected Area Management and Development Sub-program: II. For Proclaimed and Legislated PAs: 5. PAMB Operationalization; Capacity Building of Ursula Island Game Refuge and Bird Sanctuary (UIGRBS).

The Protected Area Management Office (PAMO) of UIGRBS organized a training session on July 4-8, 2023 at Riverside Inn, Bataraza, Palawan, whereas the actual fieldwork was done in Ursula Island Game Refuge and Bird Sanctuary. The training centered on Biodiversity Assessment and Monitoring System (BAMS) Training and Installation of Permanent Plots for Ursula Island, providing dedicated lectures on assessing and monitoring flora and fauna. The primary goal of the training is to develop and establish UIGRBS's biodiversity database in preparation for its proclamation/legislation and formulation of the Protected Area Management Plan, as well as standardizing the approach to island biodiversity monitoring. The training program was attended by a total of forty (40) individuals, composed of DENR (10), MENRO (1), RTNMC (2), CBNC (2), Brgy LGU Taratak (1), Brgy LGU Rio Tuba (2), Brgy LGU Sarong (2), PCSD (2), Haribon Palawan (2), PCG (2), Philippine Marines (2), PNP Maritime (2), PNP (2), PGENRO (2), RTNMPA (2), Tourism (1), MPDO (2), PPDO (1).

Hereunder are the topics presented by the speakers and practical fieldwork performed during the activity:

We acknowledge receipt of your Memorandum dated August 16, 2023 regarding the above-mentioned subject.

May we respectfully reiterate the following recommendations of this Office based on Memorandum dated June 7, 2023, to wit:

1. Submission of reports for the maintenance of facilities should be quarterly to reflect progress and completion of physical performance/target accomplishment per Approved Work and Financial Plan 2023.
2. All photographs should be properly geotagged, showing the correct date and time the photo was taken.
3. Include an update on the repair/reconstruction of the Park Warden Station as this is part of the performance indicator of the target activity.

Additionally, upon review of your submitted report, the following are the findings of this Office:

1. Considering that the previously submitted report already cited the monitoring and assessment of the same facilities, the reports for 2nd and 3rd quarter maintenance should have already reflected the actual repair and/or maintenance for the said facilities.
2. Some photographs on the attached photo documentation were identical to the previously submitted report (hereto attached) dated March 15, 2023. Please include the latest photos (before and after) showing the improvement/ maintenance of the facilities and fixtures.

Respectfully submitted is the Memorandum dated June 27, 2023 of the OIC, PENR Officer of Marinduque relative to the above subject. This is in compliance with the CY 2023 target activity under the OO1 – Natural Resources Conservation and Development Program, Protected Areas, Caves and Wetlands Development and Management, Sub-Program – II. For Proclaimed and Legislated PAs, P/A/P “Capacity Building”.

The “Course for the Effective Management of Marinduque Wildlife Sanctuary (MWS) for PAMO/TSD Staff and PAMB Members” was held at A&A Beach Resort/Restaurant and Catering Services, Brgy. Laylay, Boac, Marinduque on June 21–23, 2023.

The capacity building activity is part of a continuous process that aims to:

1. Educate the participants on the importance of the Philippines as a biodiversity-rich and hotspot country, the effect of biodiversity loss and its impact to the environment;
2. Enhance the skills and technical capability of the participants and provide them with a common framework and holistic approach to biodiversity conservation and management;
3. Educate the participants on legal procedures, including document requirements for monitoring biodiversity/wildlife, apprehension, confiscation of illegally possessed/transported/traded wildlife and forest products, and prosecution of cases.
4. Strengthen coordination and forge partnership agreement with the different law enforcement partner agencies and stakeholders in the management and protection of the environment and natural resources, particularly the Marinduque Wildlife Sanctuary.

SUBJECT : POST-EVENT SUMMARY REPORT ON THE TREE PLANTING IN LINE WITH BAMBOO MONTH CELEBRATION CONDUCTED WITHIN MIMAROPA REGION

Submitted herewith is the matrix showing the summary report on the tree planting activity in MIMAROPA Region conducted in line with Bamboo Month Celebration on September 18, 2023.

The active participation of 1000 volunteers coming from different non-government organizations, the local government units and other government agencies resulted in the planting of 8.9 hectares of idle forest lands with a total of 2,259 seedlings of various species of bamboo within ten (11) locations regionwide. On the part of the DENR field offices, technical support in terms of tree planting, care and maintenance were provided to volunteers to equip them with necessary knowledge on the significance of forest restoration and sustainable-use of forest resources towards climate change mitigation and adaptation.

The geotagged photos, short video clips and drone shot of conducted simultaneous tree planting can be accessed through <https://tinyurl.com/y5e4js8t>

MEMORANDUM

FOR : The OIC, Assistant Secretary
for Field Operations-Western Mindanao and
Director, Forest Management Bureau,
In concurrent capacity

FROM : The OIC, Regional Executive Director

SUBJECT : **TRANSFER OF CERTIFICATE OF STEWARDSHIP
CONTRACT (CSC) NO. 04180179**

This has reference to the request of Mr. David Villaplaza for the transfer of rights of the Certificate of Stewardship Contract (CSC) No. 04180179 in the name of his deceased grandfather, Mr. Anastacio Villaplaza, covering an area of 3.34 hectares, located at Sitio Kutimla, Barangay Murtha, San Jose, Occidental Mindoro. The said CSC expired on 10 January 2009 and was renewed until 10 January 2034.

Review of the submitted documents showed that Mr. Anastacio Villaplaza passed away on 19 June 2014 while his spouse, Maxima Montermoso, died on 15 October 2018. Meanwhile, Mr. Anastacio's daughter, Josephine Villaplaza, is already deceased, while his two other children, Ronilo Villaplaza and Oscar Villaplaza, are already holders of CSC. Further, the parents of the CSC holder are already deceased, and his other sibling is already a holder of a CSC. Thus, Mr. Anastacio Villaplaza has no qualified next-of-kin who may inherit the CSC.

Considering the above and that Mr. David Villaplaza is the actual occupant and tiller of the arca, and has continuously maintained, developed, and protected the same, together with his grandfather, our Legal Division has advised that he may then be considered as *other nominated person* or party of the original steward **provided that prior approval of DENR Secretary or his duly authorized representative is sought**, pursuant to Section 1.1 of DMC No. 23, Series of 1993.

Henceforth, we are seeking for your approval for this Office to process the transfer of CSC of Mr. Villaplaza to his grandson, Mr. David Villaplaza.

For information and consideration, please.

Dear Atty. Dacquel,

This refers to your letter with Case Reference No. A22-014 requesting for correction of an alleged erroneous classification per Memorandum dated November 4, 2022.

It appears that said request was made in relation to Case No. LRC-22-23518 - Petition for Judicial Confirmation or Titling of Land, entitled "*In Re: Petition for Judicial Confirmation or Titling of Land Under Republic Act 11573*" pending before Branch 39, Regional Trial Court, Calapan City.

Records show that there is also a pending case before the DENR Central Office docketed as DENR Case No. 9266 (M.L.A. No. 045211-02-A) entitled *Gerardo Brual -versus- Cresencia Del Mundo and Soriano Del Mundo*. Our Office was furnished a copy of your *Compliance* (To the DENR Order dated August 05, 2022) wherein it was stated therein that "3. *To emphasize the Motion to Withdraw covers only Miscellaneous Lease Application No. 045211-02-A. Hence, Miscellaneous Lease Application No. 045211-01 and Miscellaneous Sales Application No. 045211-02 are, thereby, not withdrawn.*"

Pursuant to Section 11, DENR Administrative Order No. 2021-38, the duly designated Chief of the Surveys and Mapping Division of the Regional Office is authorized to issue the Alienable and Disposable Agricultural Land of the Public Domain Certification for purposes of judicial confirmation of imperfect or incomplete title.

Please find attached Certification dated August 02, 2023 approved by the Chief, Surveys and Mapping Division.

We would like to request for a copy of your Petition submitted in Case No. LRC-22-23518 for reference purposes.

Very truly yours,

FELIX S. MIRASOL, JR., CESO IV
