Dear Sir,

Greetings in Conservation!

This refers to the construction project in Brgy. Poblacion, San Jose, Romblon which have been discussed during the Technical Conference last October 24, 2023 with Chief of Regulation and Permitting Section (RPS) Allan T. Sendiong and a representative from EMB. As per regulatory requirements, we kindly request your immediate action and compliance with the following directives:

- Area Clearance Request:** We kindly request that a formal letter be submitted to our office, to seek an Area Clearance for the construction of a causeway, boulevard, and coastal road in Brgy. Poblacion, San Jose, Romblon. This request must be submitted not later than October 27, 2023. The Area Clearance is a crucial step in ensuring that the project complies with the necessary regulations and standards.
- ECC Application:** In addition to the Area Clearance, an application for the issuance of an Environmental Compliance Certificate (ECC) for the aforementioned project is required. We request that this application be submitted online at emb.gov.ph on or before October 27, 2023.
- Proof of Application:** A printout of the ECC application, confirming its submission via the online platform, must be provided as proof. This printout should accompany the Area Clearance request and be submitted by the same deadline of October 27, 2023.

The submission of the Area Clearance request and ECC application is vital in this regard, and your prompt attention to this matter is greatly appreciated. Should you have any questions or require further clarification regarding this request, please do not hesitate to contact us at 0949 365 3058.

Thank you for your cooperation and understanding in this important matter.
